

The book cover features a collage of architectural images. At the top, a small, historic stone building with multiple windows and a central arched entrance is set against a clear blue sky. Below this, the main portion of the cover is dominated by a large, modern architectural structure. This structure has a complex, angular design with a facade composed of a grid of dark, rectangular panels. The perspective is from a low angle, looking up at the building, which creates a sense of height and scale. The sky in the background is a pale, hazy blue. The title 'Landmarks of Texas Architecture' is printed in a serif font across the top of the cover, partially overlapping the historic building and the modern structure.
