### **Audience Reflection of Women Artiste in the Millennium: A Period Between 1990 and 2015 in Tamil Nadu**

Gayathri AGP,2020-08-14 The growth of mass communication is a dual process the development of an industry and the evaluation of an audience It is important to understand who uses the medium and why they use it and with what perspective it is being used The audio visual medium is very powerful in reaching the masses So it is the responsibility of the media to satisfy the needs of the people based on the changes that are taking place in the society Every message is given with an interpretation and no message is neutral This implies that there must be a prior study of the issue from the people s point of view This book focuses on the collective perception of Tamil audience based on gender and age categories on Tamil cinema and Tamil television programmes in general of the period 1990 to 2015 It reveals the significant attitude of the public towards women artistes in Tamil cinema and Tamil TV channels The audience suggestions for a better representation of women artistes in these media are provided The summation is given under a seven criteria approach A workspace is provided to enable the reader to make interpretations with the available statistical information Isa Genzken Andre Rottman,2025-04-29 A strikingly original analysis of Isa Genzken s move towards merging sculptural and architectural morphologies into a trailblazing practice of contemporary assemblage Fuck the Bauhaus a series of audacious architectural models for future high rise buildings in Manhattan marks a poetic and provocative shift in Isa Genzken s artistic oeuvre Made

in the year 2000 out of quotidian objects and cheap materials foraged in the streets and stores of New York these sculptural assemblages depart from the German artist's post Minimalist works begun in the 1970s The earlier works conjured the haunting spectres of catastrophe destruction and failed utopia as well as the potential for freedom amidst the ruins of post War reconstruction culture Analysing Genken's post 2000 penchant for appropriation collage and montage Andr Rottmann draws on the writings of Deleuze and Guattari Bruno Latour and other theorists of assemblage to show how her late style is not a return to neo avant garde traditions but a powerful reimagining of them for the contemporary moment
