The SVD Dragunov Rifle Chris McNab, 2023-06-22 Featuring specially commissioned artwork and carefully chosen photographs this study charts the SVD Dragunov rifle's development combat use and lasting legacy from Vietnam to Syria Developed as a medium range sniping rifle in the Soviet Union during the 1960s the Dragunov stood out against most Western sniping rifle types by being semi automatic a configuration that marginally lowers

The Art of Revolver Shooting Walter Winans, 1911-01-02 The highly readable American classic by the definitive expert of that era. Walter W. Winans, born April 5, 1852, was a stand-out American marksman, horse breeder, sculptor, and painter who participated in the 1908 and 1912 Summer Olympics. He won two medals for shooting: a gold in 1908 and a silver in 1912, as well as demonstrating the sport of pistol duelling in the 1908 Games. He was the author of ten books on shooting, of which this was the first. The Winans range at the National Shooting Centre, Bisley, England, is named after him. His book covers a wide range of history, design, developments, and marksmanship technique of the revolver. It has a special focus on techniques used at the classic Bisley competitions in England during the Victorian era, including stages that featured rapid fire, moving, and disappearing targets, with valuable tips that may be of interest to Action Shooter competitors. Shooters on any level will find something of value in this truly outstanding gem of shooting literature. Original book description: 1911 New Edition. Revised and enlarged. Bisley meeting the author has not neglected the more general and practical side of the subject and even such matters hitherto regarded in the light of professional secrets as trick and stage shooting shooting in the dark etc are treated in detail not previously attempted while a chapter on how to use the revolver as distinct from target shooting in warfare has a present interest that must appeal to many Keywords pistol markmanship Bisley rapid fire revolver hunting handgun duel dueling
