BMW K Series Phil West, 2022-09-29 While BMW motorcycles remain mostly associated with its R series shaft drive boxer twins it's the K series liquid cooled multis that have been and remain the German firm's most advanced radical and downright wacky bikes of all Launched in 1983 to propel BMW into a whole new era the K series has included some of the world's most innovative and interesting motorcycles From the original liquid cooled fuel injected K100 to the radically aerodynamic K1 of the 1980s the ultra powerful K1200RS and space age K1200LT of the 1990s and the Duolever K1200S and 6 cylinder K1600 of the 2000s and beyond BMW's Ks have always been special but also so advanced and pioneering that they've helped shape the whole of modern motorcycling BMW expert Phil West author of *BMW Airhead Twins* and *BMW GS* also published by Crowood has again painstakingly researched their complete history found pictures never published before and recounts the whole K Series story in a comprehensive and engaging tale

Life After Tech Debbie Levitt, 2024-09-23 After decades of building a tech career author Debbie Levitt is one of many people with questions anxieties and doubts As a mentor and coach the employed and unemployed often ask her What happened to tech jobs and What will I do next *Life After Tech* is your personal and proactive journey Eighteen introspective exercises plus templates and examples make *Life After Tech* a guide and a workbook Use the Phoenix Flight Plan to get grounded plan rise and soar Debbie addresses common career change emotions and fears through sensitivity critical thinking humor and vulnerability She provides fresh advice and perspectives while avoiding the toxic positivity that plagues job struggles You are the phoenix It's never too early to plan what you'll do when you're done with tech or tech is done with you This topic is so stigmatized that *Life After Tech* is one of the first books and possibly the first book specifically about leaving technology jobs and careers *Life After Tech* is for everybody considering a career or work change Struggling to find a tech job Can't transition into tech Job reduced or replaced by tech Those expecting to work many more years in tech

Non tech workers The Life After Tech Discord community membership website and other resources make Life After Tech more than a book <https://LifeAfterTech.info> It's a support system that welcomes everybody no matter where they are on the ever changing working in tech not working in tech spectrum You can also find the PDF EPUB and audiobook on our website Problem statements Working in technology has become stressful and difficult if not impossible Jobs are increasingly hard to find Layoffs are so common that most of us have lived through at least one or fear the next one Many salaries are lower than they used to be Workplaces feel increasingly toxic and appear to have abandoned quality values and ethics Experts predict that AI will reduce or eliminate tens of millions of jobs in the coming years AI statement The only AI used to make this book is Grammarly's spelling and grammar correction There are brief credited quotes from Claude ai and Google's Career Dreamer in Chapter 9 All other text was planned written edited formatted and checked by humans

Motorcycle Touring Bible Fred Rau,2011-01-08 Touring on a motorcycle has never been more popular than it is today but with more and more people hitting the open road a growing number are doing so without the proper skills and information they need to survive the ordeal Far too often the trip of a lifetime turns into an unmitigated disaster leading to expensive breakdowns arrests lost wages broken limbs death and even on more than one occasion divorce Most people who travel aboard motorcycles have learned these lessons the hard way if they've survived long enough but now readers of the Motorcycle Touring Bible can learn an easier way they can learn from author Fred Rau's mistakes rather than through the school of hard knocks
