[A Christian's Guide to Critical Thinking](#) Henry Virkler, 2006-06-26 Have you ever heard a Bible interpretation or a scientifically based argument that just didn t seem correct Did you wish you knew how to show that it wasn t true In a postmodern society Christians are increasingly confronted with assertions that contradict the principles they believe They need to be able to critically analyze arguments and know how to refute in a gentle way those

assertions that are not true In order to do this Christians need three sets of skills hermeneutical skills to know how to accurately interpret God s Word and be able to correct misinterpretations of Scripture research design and statistical skills to be able to examine statements about God s world and evaluate whether or not they represent valid conclusions from the data knowledge of logical fallacies in order to be able to identify when invalid inductive or deductive conclusions were being drawn either from God s Word or from research studies about God s world This book will help you be able to do the following know and use valid hermeneutical skills understand research design and statistical analysis techniques recognize logical fallacies and replace them with accurate analyses An excellent resource for pastors Sunday school teachers and group leaders this book is as practical as it is valuable for persons who want to discern truth and refute error in a spirit of love

John Warwick Montgomery's Legal Apologetic Ross Clifford,2016-01-22 Dr Montgomery is one of our leading Christian apologists His writings have influenced several generations of apologists from around the globe His debates are legendary This book purports to break new ground apologetically as it assesses Dr Montgomery s work It focuses on his legal historical apo logetic and in the process reframes it for both for the tough minded and the tender hearted It shows not only the rationality of Montgomery s work but also that his writings pave the way for an apologetic to New Age follo wers and to those who place experience before reason A special feature of this analysis concerns Montgomery s apologetic insights on the occult and paganism This book also breaks new ground as the legal apologetic model has not been previously assessed it illustrates that a juridical apologetic style has a rich history dating back to the Gospels themselves The present work should thus be of particular interest to apologists theologians philosophers of religion pastors and all who are concerned to share the legal historical fact of the Resurrection of Jesus together with its relevance in a secular age *Christian Theology* Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s *Christian Theology* is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why

Hijacking Jesus Jason Jimenez,2023-09-12 Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles In the postmodern era remaking Jesus has become a deadly temptation The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self identified Christians But they don t realize that progressive Christianity rejects the biblical revelation of Jesus Christ the Word made flesh *Hijacking Jesus* addresses perennial questions about the nature of Christ and his teaching testing the historical and

theological accuracy of progressive Christians Their Jesus is simply no match for the reliability of the four Gospels which are the most credible historical sources for Jesus s life teachings miracles death and resurrection Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior

Scott,2017-03-16 Sacred Places is a book that looks at the biblical theology of place exploring its central importance in Gods creation and mission It takes its readers on an expository journey through place from the Garden of Eden to the New Jerusalem discovering the pattern of placement displacement and replacement in life and faith If you are a Christian seeking to understand the Bibles teaching on place and how that affects both our faith and lives in the world then this book is for you It will open your eyes to the central importance of place and give you direction on how you can apply a healthy understanding of place to your life as a disciple of Jesus Christ making you a better place maker and dweller The thesis of this book is that place is far more important than we ever could have imagined I am specifically proposing that 1 places are sacred because of Gods decree and personal presence 2 place plays a major role in Gods creative and redemptive purposes and 3 Gods people are called to be both place makers and dwellers Check out the official website of Author and Teacher C J Scott at humblemajesty.com Visit the Place Makers blog at placemakers.blog In association with Worldwide Mission Fellowship Visit the website at wwmf.org

encourages a greater appreciation for all that the Son of God endured in order that we might be saved From His preincarnate glory to His descent into the grave our Savior paid a high price in order that we might receive the free gift of salvation This book will trace the downward stage in the works of Jesus Christ from His glory to the grave referred to as His humiliation We will take a deeper look at the following topics Jesus s Glorious Preincarnate Existence The Meaning and Necessity of His Humiliation The Virgin Birth and Incarnation of Jesus Kenosis The Self Emptying of Jesus His Temptations and Rejections His Illegal Trials His Sacrificial Atoning Death His Burial and Descent to Hades The Implications of His Humiliation Ultimately from this reading we learn that the Son of God s love for man was so deep that He willingly laid aside His glory in order to endure a level of humiliation that was so great that only God wrapped in humanity could endure it Our greater appreciation for the high cost that Jesus paid to save us should cause us as believers to appreciate admire and adore Him all the more and greatly value the free gift to which He paid such a high cost **There's More Than One Color in the Pew** Tony

Gary Crampton,2004-06 **The Extent of the Atonement** David L. Allen,2016-06-01 The extent of Christ s atoning work on the cross is one of the most divisive issues in evangelical Christianity In The Extent of the Atonement A Historical and Critical Review David L Allen makes a biblical historical theological and practical case for a universal atonement Through a comprehensive historical survey Allen contends that universal atonement has always been the majority view of Christians and that even among Calvinist theologians there is a considerable range of views Marshalling evidence from Scripture and history and critiquing arguments for a limited atonement Allen affirms that an unlimited atonement is the best understanding of Christ s saving work He concludes by showing that an unlimited atonement provides the best foundation for evangelism missions and preaching Biblical Hermeneutics Bruce Corley,Grant Lovejoy,Steve W Lemke,2002-04-15 Biblical

Image and Hope Yaroslav Viazovski, 2016-02-25 Developments in biblical studies neurosciences and Christian philosophy of mind force theologians to reconsider the traditional concept of the immortal soul At the same time the concept itself tends to create axiological dualism between the body and the soul that in turn may lead to insufficient appreciation of the physical life in this world A more holistic approach to the ontology of human beings is required The aim of this study is to analyse the function of the concept of the soul in the dualistic anthropology of John Calvin and to compare it to the holistic anthropology of Karl Barth in order to answer the question of whether the transition from one to the other is possible without the loss of the functions fulfilled by the soul
