**Teaching Reading and Literature with Classroom Talk** Dawan Coombs, 2024-12-26 This book presents a framework for conceptualizing and enacting dialogic approaches to teaching literature and reading in your classroom Dialogical approaches have often been used in secondary classrooms for teaching writing by incorporating students lives and experiences into the English Language Arts ELA curriculum But what might it look like to create reading moments that bring texts to life by allowing students to use their own identities and experiences as the foundation for their interpretation The most current research in reading motivation culturally responsive teaching and even neuroscience points to the power of dialogical approaches to not only engage students in reading texts but when used consistently and repeatedly help increase students reading growth and achievement Dialogical approaches can be particularly helpful for struggling readers English language learners ELLs and neurodivergent students This book explores dialogical approaches to teaching reading and literature in secondary ELA classrooms with descriptions of hands on activities models of dialogical strategies and real time examples from ELA and reading classes Each chapter includes motivating accessible and research based methods and tools that help students connect content to their lives and explore a diversity of perspectives With resources such as assignment sheets and rubrics this is an essential book for middle and high school ELA teachers reading coaches and interventionists teachers working with ELLs and pre service teachers who are looking to better understand and utilize dialogical approaches to support their students in transforming their reader identities

**Interpreting Literature With Children** Shelby A. Wolf, 2014-04-04 Clearly organized and beautifully written Interpreting Literature With Children is a remarkable book that stands on the edge of two textbook genres the survey of literature text and the literary criticism text Neither approach however says enough about how children respond to literature in everyday classroom situations That is the mission of this book It begins by providing a solid foundation in both approaches and then examines multiple ways of developing children s literary interpretation through talk through culture class and gender as well as through creative modes of expression including writing the visual arts and drama The result is a balanced resource for teachers who want to deepen their understanding of literature and literary engagement Because of its modest length and price and its ongoing focus on how to increase student engagement with literature either pre service or practicing teachers can use this text in children s literature

language arts or literacy and language courses      **Teens Choosing to Read** Gay Ivey, Peter Johnston, 2023 In a sea of troubling reporting about education teaching reading and the wellbeing of teens Ivey and Johnston bring some good news that shows what happens when we stop underestimating young people This accessible book offers an engaging account of a 4 year study of adolescents who went from reluctant to enthusiastic readers These youth reported that reading not only helped them manage their stress but also helped them negotiate happier more meaningful lives This amazing transformation occurred when their teachers simply allowed them to select their own books invited them to read with no strings attached and provided time for them to do so These students nearly all of whom reported a previously negative relationship with reading began to read voraciously inside and outside of school performed better on state tests and transformed their personal relational emotional and moral lives in the process This illuminating book leads readers on a tour of adolescents reading lives in their own words offering a long overdue analysis of students deep engagement with literature The text also includes research to inform arguments about what students should and should not read and the consequences of limiting students access to the books that interest them through censorship Book Features Links young adults reading engagement with socio emotional and intellectual development Provides nuanced descriptions of teaching practices that facilitate student agency in learning Features student voices that have been absent in debates about what is appropriate for young people to read and under what circumstances Connects student perspectives on reading with positive outcomes of reading to research from other disciplines Illuminates the breadth and depth of the responsibilities of teaching English language arts
