

# ESSAY HOOKS

An essay hook is the first one or two sentences of your essay that are used to grab the reader's attention and draw them into your discussion.

## TIPS

- **Use a Quotation:** Sometimes, a relevant quotation from a well-known author or expert can help establish the context or theme of your essay.
- **Use Statistics or Facts:** Interesting, surprising, or shocking facts or statistics work similarly to surprising statements: they make us want to know more about a topic.

## EXAMPLES

- **Challenging Belief:** "Despite popular belief, the automation of jobs is not a threat but an opportunity for society to evolve."
- **Quotation:** "George Orwell wrote in '1984', 'Big Brother is Watching You.' In our modern society, with the advancement of technology, this is becoming more of a reality than fiction."

**The Rhetorics of Feminism** Lynne Pearce,2013-04-15 Is it possible that changes in rhetorical practice could alter not just how thought is expressed but also how it is made Through a close stylistic and rhetorical analysis of contemporary feminist writing from the cultural theory of Judith Butler to the popular journalism of Naomi Wolf and Germaine Greer Lynne Pearce demonstrates how feminist thought is created as well as communicated through the frameworks in which it is presented By linking rhetorical innovation with feminist epistemology in such a direct way this is a book that will be of immense methodological as well as theoretical interest to readers providing valuable insight into the often mysterious processes of conception and composition

***Mystery Solved*** John G. Laflamme Ed.D.,2021-12-23 The book covers writing concepts that are overlooked when teaching writing Though the writing process has contributed greatly to helping students improve their writing very little instruction exists to assist students in understanding how to organize the ideas once they have generated them Students need to be adept at identifying the function of each sentence in a paragraph Too often students write general statements about a topic and do not provide the concrete details needed to help the reader understand the point Teachers also want rigor in the writing curriculum but that often means assigning more and longer essays A rigorous writing curriculum can challenge students without adding to a teacher s correction load This book helps teachers achieve that balance
