SCM Studyguide Anglicanism Stephen Spencer, 2013-01-07 The SCM Studyguide Anglicanism offers a comprehensive introduction to the many different facets of Anglicanism. Aimed at students preparing for ministry, it presumes no prior knowledge of the subject and offers helpful overviews of Anglican history, liturgy, theology, Canon Law, mission, and global Anglicanism. More and more ordinands come from contexts in which they are no longer familiar with their own denominational identity. The book fills a definite gap in the market and can be used as a textbook for a 10-week module on Anglican denominational identity. The author is an experienced theological educator who has road-tested the material with students in residential and non-residential settings. The book can also be used in courses on church history, spirituality, ecclesiology, mission, and doctrine.

Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2016-05-18 This 16-Week Study Guide is exceptionally practical and life-transforming. It is taken from the main book *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity*. However, it is a stand-alone book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well-liked, and still others as being happy. How does God define success? He defines it as being spiritually mature.
