Faith Hope And Ivy June Phyllis Reynolds Naylor:

Faith, Hope, and Ivy June Phyllis Reynolds Naylor, 2011-06-14 When push comes to shove two Kentucky girls find strength in each other Ivy June Mosely and Catherine Combs two girls from different parts of Kentucky are participating in the first seventh grade student exchange program between their schools The girls will stay at each other's homes attend school together and record their experience in their journals Catherine and her family have a beautiful home with plenty of space Since Ivy June's house is crowded she lives with her grandparents Her Pappaw works in the coal mines supporting four generations of kinfolk Ivy June can't wait until he leaves that mine forever and retires As the girls get closer they discover they're more alike than different especially when they face the terror of not knowing what's happening to those they love most

Honoring Identities Donna L. Miller, 2021-02-15 Honoring Identities argues that creating culturally responsive learning communities is a process which begins with building community cultivating certain student and teacher dispositions nurturing social justice leveraging the power of talk and dialogic exchange using Cultural Identity Literature CIL to build bridges and to normalize difference and fostering a culture of civil discourse Honoring Identities provides both theory and practice to advance the important mission of building culturally responsive mindsets and to ensure that all students feel like they have a place at the learning table CIL reflects and honors the lives of all young people and GREEN APPLE questions focus their reading on key facets of identity multiplying the effectiveness of the reading experience GREEN APPLE questions also provide a lens for anyone else wishing to select CIL The questions not only illuminate different perspectives of a text but make readers aware that individual experiences color the reading of a text

Going Where It's Dark Phyllis Reynolds Naylor, 2016-01-12 From the Newbery Award winning author of Shiloh comes a middle grade novel that combines adrenaline fueled adventure with a poignant coming of age story Buck Anderson's life seems to be changing completely His best friend David has moved away his anxious parents are hounding him more than ever he has reluctantly agreed to fill in for his uncle and do odd jobs for a grumpy old veteran in town and his twin sister has a new boyfriend and is never around anymore To top it all off Buck is bullied by a group of boys at school mainly because he stutters There is one thing that frees Buck from his worries It is the heart pounding exhilaration he feels when exploring underground caves in and around his hometown He used to go caving with David but he's determined to continue on his own now He doesn't know that more changes are headed his way changes that just might make him rethink his view of the world and his place in it Praise for GOING WHERE IT'S DARK A well constructed and well paced story that will be appreciated by anyone who has ever felt out of place or bullied School Library Journal Buck's strength is inspirational and his family's love and respect are heartwarming Kirkus Reviews With characteristic sensitivity Naylor delivers an engrossing account of a boy's interior and exterior struggles Publishers Weekly

DIY Programming and Book Displays Amanda Catherine Struckmeyer, Svetha Hetzler, 2010-09-13 This manual guides librarians in creating simple affordable ready to use activities for children tweens teens and families with enough

material for a full year of programs Do it yourself programming is an emerging model in which the librarian does the preparation then lets patrons take over DIY Programming and Book Displays How to Stretch Your Programming without Stretching Your Budget and Staff makes it easy for librarians to institute such programs in their own facilities Organized around 12 thematic chapters the book explains how to set up and maintain a do it yourself station and offers instructions for a variety of year activities Reproducible materials and booklists are included as well Librarians may use the activities as starting points for generating their own ideas or they may simply photocopy materials in the book for ready to use monthly DIY programming Once set up the DYI station is available to patrons anytime they are in the library Best of all because DIY programs do not rely on staff space or special materials they allow libraries to make the most of their resources without sacrificing patron service
