The International status of education about the Holocaust Carrier, Peter,Fuchs, Eckhardt,Messinger, Torben,Georg Eckert Institute for International Textbook Research (Germany),2015-01-14 How do schools worldwide treat the Holocaust as a subject In which countries does the Holocaust form part of classroom teaching Are representations of the Holocaust always accurate balanced and unprejudiced in curricula and textbooks This study carried out by UNESCO and the Georg Eckert Institute for International Textbook Research compares for the first time representations of the Holocaust in school textbooks and national curricula Drawing on data which includes countries in which there exists no or little information about representations of the Holocaust the study shows where the Holocaust is established in official guidelines and contains a close textbook study focusing on the comprehensiveness and accuracy of representations and historical narratives The book highlights evolving practices worldwide and thus provides education stakeholders with comprehensive documentation about current trends in curricula directives and textbook representations of the Holocaust It further formulates recommendations that will help policy makers provide the educational means by which pupils may develop Holocaust literacy

The Italian Army In North Africa Walter S. Zapotoczny Jr.,2018-08-17 Previously unpublished analysis of why and how the Italians foughtA look at the role the Italian Army played in North Africa as part of the Deutsches Afrika Korps German Afrika Korps In spite of poor leadership the Italian soldier performed well against all odds in North AfricaProfusely illustrated with many rare and unpublished images The German soldier has impressed the world however the Italian Bersagliere soldier has impressed the German soldier Erin Rommel aka The Desert Fox When most

people think of the Italian Army in North Africa during the Second World War they tend to believe that the average Italian soldier offered little resistance to the Allies before surrendering Many suggest that the Italian Army performed in a cowardly manner during the war the reality is not so simple The question remains as to whether the Italians were cowards or victims of circumstance While the Italian soldier s commitment to the war was not as great as that of his German counterpart many Italians fought bravely The Italian Littorio and Ariete Divisions earned Allied admiration at Tobruk Gazala and El Alamein The Italian Army played a significant role as part of the German Afrika Korps and made up a large portion of the Axis combat power in North Africa during 1941 and 1942 In the interest of determining how the Italian Army earned the reputation that it did it is necessary to analyse why and how the Italians fought

Diversity Judgments Roy L. Brooks,2022-03-17 Shows how the Supreme Court can repair its diminished legitimacy in a society committed to diversity and inclusion

War, Nation, Memory Keith A. Crawford,Stuart J. Foster,2007-12-01 The Second World War stands as the most devastating and destructive global conflict in human history More than 60 nations representing 1 7 billion people or three quarters of the world s population were consumed by its horror Not surprisingly therefore World War II stands as a landmark episode in history education throughout the world and its prominent place in school history textbooks is almost guaranteed As this book demonstrates however the stories that nations choose to tell their young about World War II do not represent a universally accepted truth about events during the war Rather wartime narratives contained in school textbooks typically are selected to instil in the young a sense of national pride common identify and shared collective memory To understand this process War Nation Memory describes and evaluates school history textbooks from many nations deeply affected by World War II including China France Germany Japan USA and the United Kingdom It critically examines the very different and complex perspectives offered in many nations and analyses the ways in which textbooks commonly serve as instruments of socialisation and in some cases propaganda Above all War Nation Memory demonstrates that far from containing neutral knowledge history textbooks prove fascinating cultural artefacts consciously shaped and legitimated by powerful ideological cultural and sociopolitical forces dominant in the present

A Revised History for Advanced Level & Colleges Nassoro Habib Mbwana,2017-11-10 The book is a response of the suggestions and opinions provided to me by the students on writing a text that could be beneficial for them and other readers The book covers the period from the fifteenth century to the present 2014 It includes the development of Europe from mercantilism to a new imperialism globalization and a neocolonial situation and underdevelopment to the less developed countries in the southern hemisphere It also justifies and revises important areas in the current 2009 syllabus which had been left by other authors in writing history texts for the advanced level Therefore the book justifies some areas that are beyond the syllabus but the questions do appear in examinations The book is directed to be useful for A level and college students the teachers and other readers who have an interest with history
