Dear God Are We There Yet? Alicia Sanchez, 2017-04-09 How many times in your life have you found yourself wondering where you are going in life What are you supposed to do when you get there How are you going to get there Dear God are we there yet That was my question I realized the answer to our personal questions can most often be found by looking within when we find that we have complete access to this part of us You then awaken and start driving your spiritual vehicle We question if we are self-guided Gods or being guided by a God In this book this movement I use a car and road trip as metaphor When we are able to see and feel our purpose our truth we can start maneuvering that God particle that will guide us like a built-in inner GPS Just as you were guided here
