God Jean Paul Corriveau, 2021-07-31 Drawing on fundamental notions from quantum physics this book uses logic and careful reasoning to prove that God exists but not in the way most think Jean Paul Corriveau who earned degrees in mathematics and computer science explains how long held beliefs about God are all wrong After reading you'll know God is neither the source of intelligence nor consciousness and not the least involved in life and its evolution Nature has no design and intelligence is a product of evolution God is nowhere in the universe but He is its energy source There is no heaven hell or afterlife The author argues that the evolution of nature and life from the Big Bang onward is from randomness and luck There was never an intent God is the only nonphysical entity so prayers don't reach Him The relationships between God humans the universe and Earth aren't what the Bible tells us or what people think Join the author as he explores how we know God exists and what that really means

God Has a Plan for You! God's Being in Reconciliation Adam J. Johnson,2012-03-01 One of the most pressing issues in the doctrine of

the atonement today is the question of the unity and diversity of the work of Christ What are we to make of the diversity within the biblical witness and the history of doctrine when it comes to explanations of the meaning and significance of Jesus death and resurrection Without a grasp of the unity of his work our understanding and use of the diversity runs the risk of becoming haphazard and disordered Proposals regarding the unity of Christ s work today tend to focus on the metaphorical nature of language the role of culture and various possible conceptual schemes rarely reflecting on unity and diversity proper to the being God To fill this gap Johnson draws on Karl Barth s integrated account of the doctrines of God and reconciliation harnessing the resources contained within the doctrines of the Trinity and divine perfections to energize a properly theological account of the unity and diversity of the atonement *The Concept of God* Ronald H. Nash,1983 This book brings together for the general reader the intense and wide ranging discussions now taking place among philosophers on the attributes of God Because of its clear explanations numerous examples brevity and breadth *The Concept of God* can be an important supplemental text to theology classes and philosophy or religion classes Lightning Print On Demand Title [Pour Me out a Blessing Ministries](#) Deborah Wofford,2010-10-13 There is no available information at this time *The Lord's Prayer* Daniel T.T. Hobbs,2011-06 Was it really all going to end Was it really over No matter how I felt the doctor had spoken and it was time to listen Something was wrong inside my body That much I knew I had lost track of the number of hospital visits and the times I found myself in the doctor s office No matter how much I thought of the many happy times the many blessed times the times when I never wanted the mo ment to end I found myself back at the pronouncement from my doctor You have six months to live I think it s time you get things together When Ken Hobbs was diagnosed with a rare debilitating disorder his life changed drastically Soon he was struggling through therapy treatment and life in a wheelchair In the midst of this his career fell apart and his ex wife riddled him with false accusations It would have been enough to make anyone despair but Ken held tightly to his love and faith With his wife s unswerving aid his prayer partners petitions and God s unfailing faithfulness Ken discovered a new plan for his life In *No Cure No Surrender* Ken proves that no attack from the enemy is enough to stop God from working everything together for good *Understanding Trials to Better Understand God* Joseph Woodward,2007 Joseph Woodward brings fresh perspective and real clarity in a way that will renew your faith in the unfailing goodness of a magnificent heavenly Father Your love for the Lord and your love of His Word will be perceptibly enhanced as you assimilate the timely and important message contained in this volume As you begin to understand that it is not your heavenly Father that is arranging and setting in motion the bitter trials and tragedies in your life your love for Him will immediately naturally and sweetly increase There are many sources of severe trials but your heavenly Father is not one of them In *Understanding Trials To Better Understand God* those sources and how to close the door on many of them are clearly revealed *Almighty God* Gijbert van den Brink,1993 Peeters 1993 **Lord I Am in Trouble** Omomaro Okekaro PhD,2024-03-24 We are all in need and God has purposed us for His own name sake Although He cannot allow us to fail He respects the gift of the free will that is given to humans Omomaro Okekaro interweaves scripture with his personal experiences while on an emotional odyssey that leads believers on a thoughtful journey within so that they too can walk through life with unwavering faith knowing that each step is guided by a higher purpose While sharing insights into the challenges and lessons embraced by diverse biblical characters Okekaro also offers inspiration by examining the spiritual inheritance in Christ encouraging believers to fight the good fight of faith and sharing miracles of the mouth through positive confession *Lord I Am in Trouble* is an inspiring presentation that blends uplifting stories with scripture to remind believers that they are not defined by their

struggles but instead how they rise above them A raw and emotional journey through the tumultuous landscapes of life Within its pages you will find the unfiltered expressions of human experiences tales of heartache and triumph of loss and redemption of faith tested and strengthened JP Tucker PhD professor and clinical therapist Divine Impassibility Richard E. Creel,2005-06-21 In this volume Richard Creel sets forth a thesis that offers a third way to approach divine impassibility Defining impassibility as imperviousness to causal influence from external factors Creel sketches a path between Aquinas and Hartshorne by asserting that once this definition is accepted one must still distinguish the various respects in which God is or is not impassible Virtually no one would dispute that the divine nature is impassible God will never cease to be God no matter what happens in creation With respect to the divine knowledge and will however there are conflicting views Creel claims that God s will is impassible because God knows everything that can be accomplished by divine power Yet unlike Aquinas Creel believes that God has this knowledge in virtue of a plenum of possibilities eternally coexistent with the divine being The absolute is not simply God but rather God plus the plenum Creel suggests that God s knowledge is passible with respect to the contingent future actions of creatures God knows these actions therefore not in their presentiality from all eternity as Aquinas would hold but only as they happen and become actual God s will however remains immediately impassible because the divine will is ordered to possibilities not actualities God never has to wait until after we do something in order to decide his response to it He has eternally decided his response to all that we might do Ultimately God s feelings remain impassible no matter what concrete decisions human beings make because the basic intent of the divine plan for us is always achieved we exercise our freedom to choose for or against God God is impassible with respect to the divine nature divine will and divine feelings but God is passible with respect to the divine knowledge of future contingent events **A**

Almodovar,2008-06-01 In 1517 an Augustinian monk by the name of Martin Luther nailed ninety five statements to the door at Castle Church in Wittenberg Germany This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time Five centuries later many of the same errors and heresies have crept back into the evangelical church A modern ninety five theses couched in new terms for a new generation require scholarly debate once again Through modern day apostles and prophets and through the elitists within the evangelical church the doctrine of buying God s grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God s blessings Pragmatic approaches to preaching the gospel through such movements as the seeker driven models have moved the focus of the message of Christ and the worship of God from being God centered to human centered Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers In the words of Martin Luther Out of love for the truth and the desire to bring it to light the following propositions need to be discussed in their entirety by church leaders pastors and laypeople alike
