He Sells Seashells English Edition:

She Sells Seashells Heidi E. Y. Stemple, 2024-07-16 Once forced to the sidelines of science Mary Anning is now recognized as the world's first paleontologist A rousing empowering nonfiction biography for STEM minded kids At first Mary Anning collected shells and other curiosities to sell in her family's shop Then she began discovering fossils that were monumental to changing the course of how we understand life on Earth But educated male scientists at the time men who bought and studied Mary's fossils did not recognize her skills nor did they include her in their discussions as the field of paleontology emerged Self taught and passionate Mary was too busy making new discoveries to worry about those rich educated men Today she is recognized as the first paleontologist Back matter expands on Mary's remarkable life including where she lived relationships and the tricky dynamic of being a woman of her time

PHP Cookbook David Sklar, Adam Trachtenberg, 2003 A collection of problems solutions and practical examples for PHP programmers The book contains a unique and extensive collection of best practices for everyday PHP programming dilemmas For every problem addressed in the book there's a worked out solution or recipe a short focused piece of code you can insert directly into your application However this book offers more than cut and paste code You also get explanations of how and why the code works so you can learn to adapt the problem solving techniques to similar situations The recipes in the PHP Cookbook range from simple tasks such as sending a database query and fetching URLs to entire programs that demonstrate complex tasks such as printing HTML tables and generating bar charts This book contains an impressive collection of useful code for PHP programmers from novices to advanced practitioners Instead of poking around mailing lists online documentation and other sources you can rely on the PHP Cookbook to provide quick solutions to common problems so you can spend your time on those out of the ordinary problems specific to your application

Hieroglyphics Jill McCorkle, 2020-07-28 Hieroglyphics is a novel that tugs at the deepest places of the human soul a beautiful heart piercing meditation on life and death and the marks we leave on this world It is the work of a wonderful writer at her finest and most profound Jessica Shattuck author of The Women in the Castle After many years in Boston Lil and Frank have retired to North Carolina The two of them married young having bonded over how they both suddenly tragically lost a parent when they were children Now Lil has become determined to leave a history for their own kids She sifts through letters and notes and diary entries uncovering old stories and perhaps revealing more secrets than Frank wants their children to know Meanwhile Frank has become obsessed with the house he lived in as a boy on the outskirts of town where a young single mother Shelley is now raising her son For Shelley Frank's repeated visits begin to trigger memories of her own family memories that she'd hoped to keep buried Because after all not all parents are ones you wish to remember Empathetic and profound this novel from master storyteller Jill McCorkle deconstructs and reconstructs what it means to be a father or a mother and to be a child trying to know your parents a child learning to make sense of the hieroglyphics of history and memory

The Fossil Hunter Shelley Emling, 2009-10-13 At a time when women were excluded from science a young girl made a discovery that marked the birth of paleontology and continues to feed the debate about evolution to this day Mary Anning was only twelve years old when in 1811 she discovered the first dinosaur skeleton of an ichthyosaur while fossil hunting on the cliffs of Lyme Regis England Until Mary's incredible discovery it was widely believed that animals did not become extinct The child of a poor family Mary became a fossil hunter inspiring the tongue twister She Sells Sea Shells by the Seashore She attracted the attention of fossil collectors and eventually the scientific world Once news of the fossils reached the halls of academia it became impossible to ignore the truth Mary's peculiar finds helped lay the groundwork for Charles Darwin's theory of evolution laid out in his On the Origin of Species Darwin drew on Mary's fossilized creatures as irrefutable evidence that life in the past was nothing like life in the present A story worthy of Dickens The Fossil Hunter chronicles the life of this young girl with dirt under her fingernails and not a shilling to buy dinner who became a world renowned paleontologist Dickens himself said of Mary The carpenter's daughter has won a name for herself and deserved to win it Here at last Shelley Emling returns Mary Anning of whom Stephen J Gould remarked is probably the most important unsung or inadequately sung collecting force in the history of paleontology to her deserved place in history Man Alive!
