**Home** M. Craig Barnes, 2006-03-01 Deep down it s easy to believe that the better job the nicer house or the more dynamic church will finally make us feel at home In Searching for Home M Craig Barnes challenges this belief He reminds us that paradise is lost and we can t go home again Our great comfort and hope however is that we are never lost to God Seasoned by more than twenty years as a pastor Barnes discusses the importance of confession worship and grace in our search for home He offers advice about how we can move from being transient nomads too frightened to be grateful to pilgrims who are at home with God guided by our pleasure in him This book was written for both Christians and seekers who are still looking for a sense of belonging or home It will be a useful tool for pastors adult Sunday school groups and counselors of all kinds who are advising pilgrims along the way The Real Heaven Joe Beam, Lee Wilson, 2006 Joe Beam and Lee Wilson

collaborate to paint a refreshing picture of Heaven from Scripture references and examples throughout the Bible Piece by piece they assemble the place we re supposed to love for eternity answering the questions that perhaps you haven t had the courage to ask and putting aside many of the myths you might have thought were true A Disruptive Faith A.W.

Tozer, 2011-05-12 The word faith is common these days but placing one s faith in God is a weighty action uncommonly fraught with consequence and by His design inconvenience Faith in God is reassuring and comforting only insofar as believers trust Him and that depth of trust is the mark of a mature Christian who has allowed faith to intrude on his life and shift his gaze away from his own aims needs and desires This is nothing if not a painful and disturbing process A Disruptive Faith is A W Tozer s never before published teaching on what he termed faith that perturbs faith that contradicts the

unbelieving man and threatens the complacency of the Christian The renowned pastor and teacher insists in these pages that genuine faith breeds dissatisfaction with this life by God's design it weans us from this temporary life and prepares us for the life to come Readers will learn to be content with this faith inspired discontent and to experience a fresh hope for eternity with God

The True Heaven Joe Beam, Lee Wilson, 2010 There are all kinds of ideas about what heaven will be like but many of them just don't fit with what God has said in his Word Beam and Wilson take a humorous insightful and biblical look at heaven and what it will really be like What's your picture of heaven Will you be sitting on a cloud strumming a golden harp Will you be singing in an eternal worship service Will the gates be pearly and the streets paved with gold Is the place you picture a place you would really want to spend an eternity Does your answer disturb you This book paints a refreshing picture of heaven from Scripture In the process the authors answer the questions that you may not have had the courage to ask and put aside many of the myths you might have thought were true The True Heaven explores such common questions as Will we have bodies in heaven Will we be able to recognize our loved ones there What happens when we die Where is heaven What does the Bible mean by the New Earth Do animals go to heaven Are the dead aware of what is happening on earth now Will we retain our memories of this life in heaven
