Pasaribu, 2025-07-31 Eleven years have passed since the first time we published the anthology of Prof Drijarkara in BASIS magazine. It appears that the issues written by him are not only actual in a certain time but it is still relevant until now even it is getting a new dimension for example the description of education and socio cultural transition Pancasila and Religion etc. In the Faculty of Literature and Culture of Gadjah Mada University Drijarkara's review of Art and Religion is the compulsory literature for the students who take an Aesthetics subject. Therefore because of the insistence of various parties we need to republish those article collections. To the Kanisius Foundation Publisher we express our gratitude for the willingness to deal with this new publication. This edition is equipped with the articles that were posthumously published in the BASIS magazine on 1969/1970 and 1970/1971 which are about the Education Phenomena and also Culture and Freedom. The spelling and idioms are perfected here and there.
