you know it isn't enough just to create the app. The application has to be intuitive, well laid out, and easy to use. Smashing Android UI shows you just how to do that. Starting with basic components, this practical, full-color book shows you how to create scalable layouts, make use of adaptive layouts and fragments, follow Android design best practices, and design sleek, intuitive user interfaces using Android UI design patterns. One of the newest guides in the terrific Smashing Magazine book series, this book takes you beyond the basics with expert techniques and innovative ideas. Learn smart solutions that will help you avoid pitfalls while building apps that can scale up to a multitude of possible Android device and browser combinations. Teaches practical techniques for developing and designing applications that work on all Android phones and tablets. Helps developers who have Android experience but not necessarily design experience, as well as designers who want to follow Android design best practices and patterns. Starts with how to use simple components and then moves on to building scalable layouts. Covers adaptive layouts and fragments, responsive design, and how to design user interfaces using Android UI design patterns. Smashing Android UI: Responsive Android UI and Design Patterns for Phones and Tablets helps you create apps for the hottest thing in technology: Android devices.

Customer-Centric Marketing Neil Richardson, Jon James, Neil Kelley, 2015-02-03 Two of the major parallel challenges facing businesses today are how to adapt to the changes of fast-paced fragmenting markets and how to grow a business whilst engaging in recognisably sustainable practices. It is not enough to just be sustainable; it is about communicating it and getting the customer involved in the message. Customer-Centric Marketing shows readers how sustainable development practices and digital marketing techniques work naturally together to add value, leading to improved customer satisfaction, better professional relationships, and increased effectiveness. Ideal for senior marketing professionals and students on digital marketing or marketing strategy modules who wish to utilise the benefits of sustainable development and forms of digital marketing, this accessible and straight-to-the-point book uses case studies to show how the marketing theories and tools work in actual business scenarios. Customer-Centric Marketing covers contemporary issues such as the increasing use of mobile QR codes and social network sites for consumers interested in ethical, environmental, and sustainable marketing.
