

The background of the entire page is a photograph of a mountain range. In the foreground, there are dark, forested hills. In the middle ground, a valley is visible with some small lights, possibly a village. In the background, a range of jagged, snow-capped mountain peaks rises against a pale, hazy sky. The overall atmosphere is serene and somewhat mysterious.

The Complete Cloud of Unknowing ,2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of The Cloud of Unknowing Rich with insights and perceptions of the obscurity and unknowability of God this work reveals God as being on an entirely different plane of existence from human beings so different that time bound human language is inadequate to describe God exhaustively or accurately Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances all of which are explained with extensive introductions and accompanying notes If I could keep with me only two books and a journal this book would be one of the books As far as I m concerned it s the most important book and among the most influential on Christian prayer in the last two millennia I m delighted to endorse this fine new translation and commentary The Rev Dr Chris Neufeld Erdman University Presbyterian Church Fresno CA author of Beyond Chaos Living the Christian Family in a World Like Ours and Returning to the Center Living Prayer in a Distracting World The Complete Cloud of Unknowing includes two classics of medieval Christian contemplative spirituality essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer They are rich texts full of nuanced wisdom that often gets lost in modern translations Father John Julian has captured the beauty humor and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading I m excited about this book it s a title I will recommend both to beginners and to longstanding students of The Cloud Carl McColman author of Answering the Contemplative Call and The Lion the Mouse and the Dawn Treader

Seduced into Darkness Carrie Ishee,2020-06-01 *Seduced into Darkness* Transcending My Psychiatrist s Sexual Abuse is a vivid and

captivating story of hope for survivors of abuse as well as a case study in a skilled manipulator's tragic exploitation of his professional power. This poignant memoir chronicles the traumatic psychological abduction and sexual exploitation of depressed college student Carrie Tansey at the hands of her psychiatrist Dr. Anthony Romano, thirty-one years her senior. For three years, their secret affair was carefully calculated and controlled by Romano as Carrie's mental and emotional health continued to deteriorate, bringing her closer and closer to the edge. Their dual relationship finally came to light when Carrie's suicide attempts landed her in a world-renowned psychiatric hospital. Gradually, she began to reclaim her power, reported Romano to the state licensing board, successfully sued him for malpractice, and testified before the state legislature to bring awareness to such abuses. As Carrie tells her tale, it is a journey paralleling that of the mythical archetype Persephone, the naive innocent who was abducted into darkness, reemerged and regenerated herself, then fearlessly returned to the prison she had fled. This time to help free others. Today, Carrie Ishee is a widely respected art therapist and life coach, as well as a teacher specializing in the issues of ethics, self-care, and boundaries for mental health professionals.

[An Introduction to Religious and Spiritual Experience](#) Marianne Rankin, 2008-12-10. This comprehensive new introduction looks at spiritual experiences from past to present, from the experiences of the founders of the major world religious traditions to events in the lives of ordinary people today. Mystical and Near-Death Experiences are included. Examples are drawn from a variety of sources, including original accounts from the Alister Hardy Religious Experience Research Centre Archive at the University of Wales Lampeter, as well as many given to the author in person. Interpretations of these experiences follow from religious, philosophical, and scientific viewpoints. Various questions are considered: Is there a common core to spiritual experience? Do these experiences offer proof of the existence of God, or of the possibility of survival of death? This fascinating work concludes with an evaluation of what can be learned about consciousness, religion, and what it is to be human.

The Anthroposophical Soul Calendar and the Incarnation Cycle of Man Roland Schrapp, 2021-01-14. This book takes a completely new look at the Anthroposophical Soul Calendar. It is about the deeper meaning of the fifty-two weekly verses which have remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner. A dense veil of Isis was spread over them, of which it is well known that no mortal person can lift it. Only the immortal psycho-spiritual human being, who knows himself at home in the extrasensory higher worlds, is capable of doing this. Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual, cosmic realms until he reaches the experience of God, from where he gradually descends again into a new life on Earth, enriched in spirit and fertilized in his soul. If the reader embarks on this journey, the spiritual archetype of the Soul Calendar is ultimately unveiled to him, and he achieves an extended understanding of Man and Christ. By many quotations from Rudolf Steiner's lectures and books, the author virtually lets Steiner himself elucidate the breathtaking depths of his mysterious weekly verses.

18 and Life Dan Stevens, 2021-04-19. This book is the beginning of a spiritual revival not seen in this world since the life of the Apostle Paul.

This deeply profound experiential journey down this 21st century Damascus Road begins with the story of a man named Ricky. Though not a real person, Ricky symbolizes the worldliness present within humanity. His journey was full of suffering, childhood abuse, in-school neglect at home. His upbringing came with very little guidance or mentorship. His home life was based solely on fear and discipline, where his scrawny build forced him to assume the role of omega male. All these influences led him to withdraw into his own fantasy worlds of Dungeons and Dragons, role playing, watching professional wrestling as an act of hero worship and masturbation, which offered him unlimited sexual fulfillment with no possibility of having to deal with the added rejection by women. When not in these fantasy worlds, reality slowly turned Ricky into an empty, depraved, psychotic monster whose only purpose was revenge, fueled by his hatred for the people who regularly abused him in school. Eventually, Ricky is brought face to face with the real source of all the depravity in his life. It occurs in his mid-twenties, where he is shown a path to freedom from all that hatred, all that revenge, all those negative influences in his life. After much initial resistance, Ricky eventually allows the process of transformation to begin in his life. Lately, I've noticed more and more people choosing not to embrace the possibility that this hope for a brighter future exists. But it is there; all one has to do is embrace it. Many instead choose to engage in vengeful, violent behavior, thinking that will help overcome their abusive past. The most common action is to engage in mass murder suicides in schools, malls, concerts, or other venues where many people are present. Lately, this choice is being made by more and more of the Ricky's of the world. An increase in infectious diseases, accompanied by forced quarantines, loss of income, and closed businesses, also contribute to an increase by the Ricky's of the world to eventually engage in these depraved behaviors. Now, earlier I mentioned that Ricky isn't a real person, but I want to confess that this story is real. This conversion story is in fact my story, and every experience I described as this persona of Ricky are in fact real stories of my upbringing. Having said that, having travelled further down this road to depravity than most, I can speak from experience as someone who has allowed those thoughts to consume him. So I write this story out of a personal understanding that murder suicide is not the answer. I also write to give hope to that child who finds himself daily enduring abuse in school, struggling to accept the possibility that the only way to freedom is suicide. I write this book for that child who has no one to guide or mentor him to constructively make something of himself. I write this book for the adult who has convinced himself that committing mass murder suicide is the answer. I write this book for the skeptic who believes this world offers little hope. Now, while I can't prevent every Ricky in the world from crossing the point of no return, the most important reason I write this story is so that the many other Ricky's out there will read all my books and recognize there is a better solution. Now, for those who don't know what it's like to experience any of those challenges in life, each of us have developed a little bit of Ricky at some point in their life. For those that don't believe they have any idea what it's like inside the mind of Ricky, perhaps you know someone else close to you who does. Will you help them begin the process of change, or will you fearfully remain silent as they cross the point of no return? Though I live in America, I've also learned this problem is

not an American problem Hopelessness hatred depravity murder suicide abuse at home or in school neglect those are all global problems This is compounded by more and more confusion as to the difference between truth and lie As President CEO of Modern Day Paul Ministries I hope to be a beacon of spiritual light to those struggling with any of these challenges in life Spiritually since allowing my life transformation to begin has led me to understand that my suffering was meant to produce in me positive character values values I never had the opportunity to learn growing up since abuse and neglect were the majority of the sources of my moral development Since then I have had the opportunity to spiritually mature through dual occupations as a sports official seven sports and a Religious Affairs NCO formerly called a Chaplain s Assistant with the Army Reserves Since both occupations are part time positions most of my free time the past twenty years has been spent daily reading Scripture passionately supplemented by many hours spent watching Christian TV stations and reading additional books about a wide range of spiritual subjects of many different world religions Among all those subjects my biggest fascination has been studying prophecy I participated in and completed the first Mentorship Institute sponsored by Voice of Evangelism Ministries where I was the first person ever anointed by international evangelist Perry Stone Jr the greatest honor I have thus far received in my life Supernaturally my story speaks for itself I won t give away the details that s what the book is for Most important my story begins the process to open the door to a true understanding of the most important attribute to embody in this life This book is merely the first step in the journey I look forward to having you join me on this journey to a deeper spiritual maturity Blessings
