

A close-up photograph of a black outboard motor engine, likely a Johnson or Evinrude model, mounted on a boat. The engine is the central focus, with various components like the carburetor, fuel lines, and electrical wiring visible. Two bright green wires are connected to the engine, one looping around the top and another extending downwards. The background shows a blurred view of a body of water and some greenery, suggesting an outdoor setting. The text 'Johnson / Evinrude' is partially visible on the left side of the engine housing.
