**Negotiating Control** Keri K. Stephens,2018-07-23 The fast food worker finds refuge in a bathroom stall to respond to her boyfriend s fifth message in an hour The human resources manager sees a colleague sending a stream of text messages during a meeting and quickly grabs her mobile to make sure she s also multitasking These scenarios are common but unique to the 21st century Until the early 2000s workplaces provided most of the computers and portable devices that employees used to perform their jobs and communicate with others Today people bring their own mobile devices to work and create new norms for how communication occurs in the workplace Managers and organizations respond by setting and enforcing new policies that are intended to help them navigate the ever changing mobile communication environment In *Negotiating Control* Organizations and Mobile Communication Keri K Stephens responds to the struggles of employees organizations and even friends and family as they try to understand new norms for connectedness in the workplace Drawing on over two decades of her own research and fieldwork representing people in over 35 different types of jobs Stephens claims that though people assume mobile communication is a uniform practice there are underlying and often hidden issues of control and power at play which shape how people are permitted and expected to use mobiles to communicate while working The accounts Stephens offers reveal the many ways that these portable tools are actually used across work environments today integrating information communication and data and connecting people in expected and often conflicting ways

*Conversations about Heaven* Brian G. Chilton,2023-04-28 Will heaven be boring What will God and heaven look like Will I enjoy heaven Are animals in heaven These questions among others often enter the hearts and minds of people envisioning their final heavenly home Often theologians and pastors have placed unnecessary restrictions on heaven whereas others have claimed that heaven should not be discussed because of so many uncertainties But is this helpful Furthermore is it even biblical In the book *Conversations about Heaven* Dr Brian Chilton reflects on a conversation he had with a lady from

Huntsville Baptist Church who asked some of the most challenging questions he ever received They both discovered that if God is the greatest possible being and heaven is God's greatest gift then heaven is a place that is far greater than anything ever imagined Conversations about Heaven challenges you to vastly expand your thoughts on heaven as heaven will far exceed even our greatest imaginations and it encourages you to regularly reflect on the great things that lie ahead in your heavenly home
