**Common Core Curriculum: English, Grades K-5** Great Minds, 2014-05-06 Common Core's English resources empower educators to meet the expectations of the Common Core State Standards CCSS for English Language Arts ELA and build essential content knowledge for students in grades K-5. Each grade in The Wheatley Portfolio features a comprehensive coherent sequence of thematic units that engage students in deep study of worthwhile texts and topics. Features of this book include Six thematic units for each grade each centered on a curated collection of literary and informational texts. Focus standards for each unit that complement the topic and promote student mastery of essential literacy skills. Suggested texts and activities to incorporate science, art, and history into English instruction. This revised second edition includes a sample text study that guides students through a close read of an exemplary text, updated web resources, and refreshed suggested works. Educators who create their curriculum based on Common Core's Wheatley Portfolio guarantee that students are exposed to content-rich instruction and have ample opportunity to master the reading, writing, speaking, listening, and language skills articulated in the CCSS for ELA.

**Parks as Classrooms Curriculum Guide**, 2005

**Common Core Curriculum Maps in English Language Arts, Grades K-5** Great Minds, 2011-10-19 The first books to present specific guidance for teaching the Common Core State Standards. Forty-three states plus the District of Columbia and the U.S. Virgin Islands have signed on to adopt the Common Core State Standards CCSS. The need for curriculum guides to assist teachers in helping students meet these standards has become imperative. Created by teachers for teachers, the research-based curriculum maps in this book present a comprehensive coherent sequence of thematic units for teaching the skills outlined in the CCSS for English language arts in Grades K-5. The maps address every standard in the CCSS yet are flexible and adaptable to accommodate diverse teaching styles. Each grade is broken down into six units that include focus standards, suggested works, sample activities, and assessments, lesson plans, and more. Teachers can use the maps to plan their year and craft their own more detailed lesson plans. Any teacher, school, or district that chooses to follow the Common Core maps can be confident that they are adhering to the standards.

*Step Into STEAM, Grades K-5* Sarah B. Bush, Kristin L. Cook, 2019-03-14 How do you create an innovative and equitable classroom experience that prepares elementary students for jobs that don't yet exist while placing a critical focus on mathematics and science content and practice standards all while meeting the demands of high-stakes testing? The answer to this question is Step into STEAM, which provides a practical and accessible approach for educators to create meaningful and transformative learning experiences for each and every student. This book guides and inspires K-5 educators through a seamless process of designing and implementing STEAM inquiries that align carefully to key mathematics and science content and practices.
