Torts and Other Wrongs John Gardner, 2019-12-18. Torts and other Wrongs is a collection of eleven of the author's essays on the theory of the law of torts and its place in the law more generally. Two new essays accompany nine previously published pieces, a number of which are already established classics of theoretical writing on private law. Together they range across the distinction between torts and other wrongs, the moral significance of outcomes, the nature and role of corrective and distributive justice, the justification of strict liability, the nature of the reasonable person standard, and the role of public policy in tort adjudication. Though focussed on the law of torts, the wide-ranging analysis in each chapter will speak to theorists of private law more generally. [Do You Love Me? Feed My Sheep](#) Rick Tunis, 2010-11-01. Do You Love Me is a very real and personal look at discipleship, revival, and how to position yourself for greater usefulness in God's Kingdom. From accepting Christ during the 70's Jesus Movement to leading a church into revival and feeding people in famine-stricken areas of Africa, author and Pastor Rick Tunis uses boldly transparent stories of his life to illustrate Biblical teachings on the nature of shepherding. The ripple effects of backsliding. The joy of sustained commitment. God's desire to take ordinary believers from the ranks of the unreliable and enlist them into unimaginable Spirit-led assignments. Are you like many Christians who are unable to maximize your potential to become an effective shepherd of others? If so, you may experience years of frustration, a sense of an unrealized calling, and limited usefulness in the Kingdom of God. Do You Love Me will encourage you and give you practical steps for making the change from sheep to shepherd through sustained faithfulness and obedience to God's
