**Lagos State Handbook**, 1987      **Nigeria Investment and Trade Laws and Regulations Handbook Volume 1 Strategic Information and Basic Laws** IBP, Inc., 2016-05-29 2011 Updated Reprint Updated Annually Nigeria Investment and Trade Laws and Regulations Handbook      **The Oxford Handbook of Nigerian Politics** A. Carl LeVan, Patrick Ukata, 2018-10-18 The Oxford Handbook of Nigerian Politics offers a comprehensive analysis of Nigeria's very rich history and ever changing politics to its readers. It provides a deep understanding of Nigeria's socio-political evolution and experience by covering a broad range of political issues and historical eras. The volume encompasses 44 chapters organized thematically into essays covering history, political institutions, civil society, economic and social policy, identity and insecurity, and Nigeria in a globalized world. By identifying many of the classic debates in Nigerian politics, the chapters serve as an authoritative introduction to Africa's most populous country. The chapters are interdisciplinary, introducing readers to classic debates and key research on Nigeria as well as new methodologies, new data, and a compelling corpus of research questions for the next generation of researchers and readers interested in Africa.      **The Palgrave Handbook of African Social Ethics** Nimi Wariboko, Toyin Falola, 2020-03-30 This Handbook provides a robust collection of vibrant discourses on African social ethics and ethical practices. It focuses on how the ethical thoughts of Africans are forged within the context of everyday life and how in turn ethical and philosophical thoughts inform day to day living. The essays frame ethics as a historical phenomenon best examined as a historical movement, the dynamic ethos of a people rather than as a theoretical construct. It thereby offers a bold, incisive and fresh interpretation of Africa's ethical life and thought.      Public Service System in Nigeria Bennet Chimezie Ajakemo, Chinelo Aroh, 2005      **Routledge Handbook of Public Policy in the Global South** Gedion Onyango, Ishtiaq Jamil, 2025-06-30 This important new handbook provides a comprehensive assessment of contemporary public policy and governance in the Global South. It offers incisive comparative analyses and presents policy specific case studies from across Asia, Latin America, Middle East and Africa. The aim is to inform future governance research, policy and practice in these regions. This book is timely as it responds to how governments in the Global South are dealing with recent complex series of challenges and crises of the 21st Century. These range from the pressures of a global pandemic to the impacts of climate change, democratic backsliding, deteriorating public services, and the realignments in the international political economy following the rise of China. In doing so, it reflects on the political transformations, global convergences and underlying regional as well as national trajectories that have taken place recently, focusing on among others: Democratic governance and institutional trust, Public service delivery, motivation and governance outcomes, Policy crises, disaster management and climate change, Policy successes and failures, Policy innovations, digitalisation and policy research in the Global South. Different authors bring together varied and specialised perspectives and experiences which are important for researchers, practitioners and policymakers wishing to understand emerging governance models, innovations and challenges.

Fashagba, 2020-12-03 This volume engages in an in depth discussion of Nigerian politics. Written by an expert group of Nigerian researchers, the chapters provide an overarching Afrocentric view of politics in Nigeria from pre colonial history to the current federal system. The book begins with a series of historical chapters analyzing the development of Nigeria from its traditional political institutions through the First Republic. After establishing the necessary historical context, the next few chapters shift the focus to specific political institutions and phenomena including the National Assembly, local government and governance, party politics and federalism. The remaining chapters discuss issues that continue to affect Nigerian politics: the debt crisis, oil politics in the Niger Delta, military intervention and civil military relations as well as nationalism and inter group relations. Providing an overview of Nigerian politics that encompasses history, economics and public administration, this volume will be useful to students and researchers interested in African politics, African studies, democracy, development, history and legislative studies. *The Transformation of Arbitration in Africa* Emilia Onyema, 2016-09-17

Given the dynamic growth of African economies and the expansion of cross border trade and commerce, the need for readily accessible African arbitral institutions has become increasingly urgent. Accordingly, this book not only offers an in depth analysis of the role arbitration centres based in African cities currently play throughout the continent, but also defines and recommends ways in which they can emerge as a major and indispensable factor in the growth and development of commerce in Africa. Administrators of arbitration institutions from a variety of African countries offer insightful appraisals and suggestions directed to promoting the development and delivery of efficient, effective arbitration services to users across the continent. Among the issues and topics covered are the following: types of arbitration institutions available in Africa, viability and sustainability of these institutions, institutions' relationship with government, quality of service, performance of arbitration institutions in their respective countries and regions, national laws that regulate arbitration in Africa's fifty four states, extent of collaboration with foreign institutions, provision of functional facilities, transcription services, hearing rooms, document handling and managerial and translation services, marketing activities and strategies mending the disconnect between Francophone and Anglophone countries, role of the Common Court of Justice and Arbitration (CCJA) and necessity of overcoming foreign negative perceptions and bias. The book was inspired by an arbitration conference hosted by the African

Union Commission at its headquarters in Addis Ababa in July 2015 As a contribution to the discussion of the role arbitration and arbitration institutions can play in transforming the legal landscape in African countries for the resolution of commercial disputes indeed the entire discourse on legal efficiency and access to justice in African countries this book will prove invaluable to practitioners and academics in international commercial arbitration within and beyond the continent Its emphasis on the creation of a facilitative supportive and conducive cultural and infrastructural environment as a mechanism for commercial dispute resolution in Africa and for the practice of arbitration in Africa will appeal to in house counsel external legal advisors consultants arbitral institutions arbitrators and government policymakers U.S. Army Area Handbook for Nigeria American University (Washington, D.C.).
