Manual De Limba Romn:

Manual de limba română pentru clasa VII-a a seminariilor (conform programului din 1908) Gheorghe Adamescu,1922

Manual of Standardization in the Romance Languages Franz Lebsanft,Felix Tacke,2020-01-20 Language standardization is an ongoing process based on the notions of linguistic correctness and models This manual contains thirty six chapters that deal with the theories of linguistic norms and give a comprehensive up to date description and analysis of the standardization processes in the Romance languages The first section presents the essential approaches to the concept of linguistic norm ranging from antiquity to the present and includes individual chapters on the notion of linguistic norms and correctness in classical grammar and rhetoric in the Prague School in the linguistic theory of Eugenio Coseriu in sociolinguistics as well as in pragmatics cognitive and discourse linguistics The second section focuses on the application of these notions with respect to the Romance languages It examines in detail the normative grammar and the normative dictionary as the reference tools for language codification and modernization of those languages that have a long and well established written tradition i e Romanian Italian French Catalan Spanish and Portuguese Furthermore the volume offers a discussion of the key issues regarding the standardization of the minor Romance languages as well as Creoles **Manual de Limba Romana**

Alexandra Danciu, Irina Poanta,1980 **Manual of Romance Languages in the Media** Kristina Bedijs,Christiane Maaß,2017-09-25 This manual provides an extensive overview of the importance and use of Romance languages in the media both in a diachronic and synchronic perspective Its chapters discuss language in television and the new media the language of advertising or special cases such as translation platforms or subtitling Separate chapters are dedicated to minority languages and smaller varieties such as Galician and Picard and to methodological approaches such as linguistic discourse analysis and writing process research *Manual of Deixis in Romance Languages* Konstanze Jungbluth,Federica Da Milano,2015-10-16 Deixis as a field of research has generated increased interest in recent years It is crucial for a number of different subdisciplines pragmatics semantics cognitive and contrastive linguistics to name just a few The subject is of particular interest to experts and students philosophers teachers philologists and psychologists interested in the study of their language or in comparing linguistic structures The different deictic structures not only the items themselves but also the oppositions between them reflect the fact that neither the notions of space time person nor our use of them are identical cross culturally This diversity is not restricted to the difference between languages but also appears among related dialects and language varieties This volume will provide an overview of the field focusing on Romance languages but also reaching beyond this perspective Chapters on diachronic developments language change comparisons with other non European languages and on interfaces with neighboring fields of interest are also included The editors and authors hope that readers regardless of their familiarity with Romance languages will gain new insights into deixis in general and into the similarities and differences among deictic structures used in the languages of the world Manual de limba română ca limbă străină

Ada Iliescu,2002 *Manual of Romance Sociolinguistics* Wendy Ayres-Bennett,Janice Carruthers,2018-06-11 The Romance languages offer a particularly fertile ground for the exploration of the relationship between language and society in different social contexts and communities Focusing on a wide range of Romance languages from national languages to minoritised varieties this volume explores questions concerning linguistic diversity and multilingualism language contact medium and genre variation and change It will interest researchers and policy makers alike *The Oxford History of Romanian Morphology* Martin Maiden,Adina Dragomirescu,Gabriela Pană Dindelegan,Rodica Zafiu,2021 This book offers the first comprehensive account of the development of the complex morphological system of Romanian It shows how the controversial origins of many of the distinctive morphological features of the language have important implications for broader historical Romance linguistics and indeed for morphological theory more generally **Manual of Discourse Markers in Romance** Maj-Britt Mosegaard Hansen,Jacqueline Visconti,2024-12-02 Virtually unstudied until the 1980s discourse markers have gone on to become a growth industry Research on markers is central to comprehensive theories of the synchronic linguistic system as such of the use of language in communication and of language change From the very beginning linguists working on Romance languages have been at the forefront of research on discourse markers Including among its contributors many of the foremost experts in the field this volume not only offers substantial state of the art introductions to the diverse facets of contemporary research on discourse markers with a focus on Romance but it achieves added value by including in each chapter original and previously unpublished results The first part of the book addresses foundational issues What are discourse markers What is their relationship to other types of pragmatic markers The second part considers discourse markers at different levels of linguistic description in particular their grammatical status their semantics and pragmatics their prosodic features their positioning within discourse units The third part outlines different approaches to the study of discourse markers namely contrastive studies corpus linguistics discourse traditions and historical linguistics The fourth part explores discourse markers at the interface with central topics in linguistics such as politeness social variation language acquisition and psycholinguistic processing The final part focuses on discourse markers in each of the major Romance languages namely French Italian Spanish Catalan Portuguese and Romanian The volume will be of interest to researchers and students working in the field of Romance studies general linguists pragmaticians discourse analysts educationalists and psychologists **Manual of Language Acquisition** Christiane Fäcke,2014-08-25 This manual contains overviews on language acquisition and distinguishes between first and second language acquisition It also deals with Romance languages as foreign languages in the world and with language acquisition in some countries of the Romance speaking world This reference work will be helpful for researchers students and teachers interested in language acquisition in general and in Romance languages in particular
