# Manual Itcd Mg

**David Kirk**

## **Manual Itcd Mg:**

**Direito Notarial e Registral** Jorge de Souza Lima, Lucas de Souza Lima Campos, Este trabalho resultado das vontades dos autores em contribuir de modo prático sistematizado e objetivo aqueles que pretendem fazer concurso público assim como aos que exercem no dia a dia o múnus profissional relacionado ao serviço notarial e registral. A obra fruto de aprofundados estudos cujas horas foram dedicadas às pesquisas doutrinárias jurisprudenciais legais e das questões formuladas pelas mais diversas e renomadas bancas organizadoras de concursos na área de modo que os candidatos tenham acesso e conhecimento de como os temas do direito notarial e registral vêm sendo cobrados nos certames. Assim a obra traduz a preocupação dos autores em trazer aos interessados os atuais entendimentos do Supremo Tribunal Federal e do Superior Tribunal de Justiça além dos Tribunais de Justiça sobre a matéria sem esquecer de manter o olhar para os editais dos concursos de cartório serventias extrajudiciais posto que o seu maior objetivo otimizar o estudo daqueles que pretendem a aprovação nas provas. Não obstante por também estar alicerçada na doutrina e nas legislações que regulamentam o Direito Notarial e Registral esta obra também se destina a promover uma acessível e rápida consulta aos profissionais das serventias em seu cotidiano assim como em manter atualizados os militantes do Direito que prezam pelo conhecimento da matéria. Por fim destaca-se seu aspecto próprio inexistente em qualquer outra sinopse e igualmente pensado para facilitar os estudos daqueles que se debruçam sobre o tema a obra um Volume único na qual se trata das mais relevantes matérias do Direito Notarial e Registral tais como Teoria Geral dos Atos Notariais Teoria Geral dos Registros Públicos Registro Civil das Pessoas Naturais e das Pessoas Jurídicas Tabelionato de Notas e Protesto Registro Imóveis e de Títulos e Documentos dentre outras. Desse modo em um único livro os estudantes encontrarão os mais diversos temas desta rica área do Direito facilitando os seus estudos e suas consultas.

**Popular Photography**, 2006-02      **CASOS DE ENSINO DIREITO E NEGÓCIOS** MÁRIO SHINGAKI, RICARDO HUMBERTO ROCHA, 2022-07-22. Discutir questões de caráter jurídico cada vez mais se faz necessário para uma correta tomada de decisão empresarial. E como preparar estudantes e profissionais de forma pragmática e didática identificando protagonistas e dilemas e apresentando dentro das informações disponíveis soluções plausíveis e rápidas. Tal desafio motivou a produzir esta obra na forma de estudo de casos com forte ênfase em aspectos jurídicos e de negócios. Um estudo de caso se propõe a discutir um problema real e que foi relevante com consequências positivas ou negativas para os envolvidos pessoas ou empresas. Embora o uso de casos de ensinamentos no Brasil já seja uma realidade em temas de finanças economia e negócios sua utilização na área jurídica ainda é restrita o que por si só justifica todo o esforço para a elaboração dessa obra. Acreditamos que os professores das diversas áreas do Direito encontrarão no texto uma forma de promover discussões em sala de aula conduzindo os alunos a importantes reflexões. Os autores acadêmicos e militantes nas mais diversas áreas do Direito elaboraram estudo de casos com temas relevantes tais como tokenização securitização startup oferta pública de ações green bonds e planejamento sucessório nos setores de mercado de capitais societário contencioso tributário e agronegócios. Além disso embora voltado

prioritariamente a reatuar a dica dos casos t m como pano de fundo a tomada de decis o e que completar o a forma o dos alunos de Direito e Administra o para sua atua o no exigente mercado de trabalho
