My father is the best father in this world. My father is my hero, my best friend and my great role model in life.

My father's name is Shri Rahul Gandhi. He is fifty two years old. He wakes up early in the morning and does regular exercise.

He always goes to office on time and teaches us to go to school on time. They say that time is money. My father is the head of our family. He loves all the members of the family. He shows unconditional love towards all the members of the family.

He helps me with my studies, tells us stories and plays with us. He also helps my mother in many household chores. He likes to cook in his spare time. He respects my grandparents a lot and teaches us to take care of them. My father is an ideal person.

I share everything with him. He supports me whenever I need him. They taught me how to behave, how to talk, how to meet, how to eat and drink and how to communicate. His life is a practical example for me to adopt and follow the most desirable values of life.
