Pathways to Big Money Today Mazherul Haque Malik,2000-09 The book is all about making money from international
 business opportunities Essentially it emphasises the idea of achieving real and long term financial security through self
 employment as against paid employment i e working for someone for a fixed pay Explains how an ordinary person can
 generate unlimited amount of wealth from some simple basic business ideas and international opportunities by following
 certain pathways The pathways are designed to bring opportunities into focus automatically ensuring the money maker s
 natural progression towards achieving financial independence in a positive manner Since it is difficult to imagine how it
 actually happens in real life true action case studies are included to illustrate the points Comprehensive list of business ideas
 and many money making opportunities are also included to assist one in making an immediate start plus some highly
 important sources of information and contacts All these are designed to arm anyone even a complete idiot with enough
 ammunition to attack the business world with a bold action plan and make him into a successful international money spinner
