

A Samsung television is shown with a screen that has significant vertical line artifacts, likely from a video repair tutorial. The screen displays a blue background with many thin, vertical lines in various colors (blue, green, purple, yellow). In the upper center of the screen, there is a faint technical diagram of a rectangular circuit with internal components and labels. The text 'HDMI/AVI' is visible in the top left corner of the screen. Overlaid on the screen is the text 'FIX VERTICAL LINES SAMSUNG TV' in a large, bold, yellow font with a black outline. The TV is a black model, and the Samsung logo is visible on the bottom bezel. The background shows a dark surface and a pink object on the right.
