act as predators where in another life we might have become prey Do the rituals of the kitchen have different meanings for men and women for professional chefs and home cooks Why today do so many of us turn so passionately toward table topics on the page online and on screen What are the philosophical implications of the food chain on which we all find ourselves In *The Culinary Imagination* Gilbert addresses these powerful questions through meditations on myths and memoirs children s books novels poems food blogs paintings TV shows and movies Discussing figures from Rex Stout to Julia Child and Andy Warhol from M F K Fisher and Sylvia Plath to Alice Waters and Peter Singer she analyzes the politics and poetics of our daily bread investigating our complex self definitions as producers consumers and connoisseurs of food The result is an ambitious lively and learned examination of the ways in which our culture s artists have represented food across a range of genres
