My First Easter:

The 1st Easter Cheryl Bowen, 2024-08-19 Have you ever wondered about how Easter started and where the Easter Bunny came from Come take a journey with us as we travel back to where it all began Travel to the country of Jerusalem as we go back to AD 36 three days after the death of the infamous man known as Jesus Christ the Son of God Just as Jesus had promised he returned three days later Read what happens as a little bunny stumbles upon the scene of Jesus returning after his death and burial Later becoming known as what we know him now the Easter Bunny **The First Easter Bunny** Frrich Lewandowski, 1999-02 The story of a bunny who witnesses the Passion death and resurrection of Jesus A New King Paul S. Jeon, 2018-04-11 A benevolent and wise king who puts his subjects before himself who can find The majority of rulers throughout history up to the present age live for their own comfort and glory But there was one king who became a servant and died to save all his servants He was a king like no other This short book invites you to walk through the last two chapters of Luke's Gospel and encounter the risen Son who will give you the hope and purpose you have been searching for **When I Get to Heaven** Howard W. Brown, 2012-05 This beautifully crafted memoir explores the life of the Reverend Howard William Brown a senior pastor with the United Methodist Church with powerful stories of one man's inner quest to grasp the very nature of eternity When I Get to Heaven achieves a memorable portrait of Reverend Brown's dynamic spiritual journey from his early childhood memories to an enlightened vision of the great beyond Penned in the final year of his life the book reveals deep insights into the great spirit of expectation that captivates us while on earth and illuminates our path toward life eternal From his last notes I am not afraid of my journey past this life Heaven is wonderful and I could talk forever about eternity but I will only say that I am not afraid to go on How did I come to be a believer The walk I have taken began in a crowded bakery in the 1930s in Pittsburgh Pennsylvania where I stood in line for my mother waiting nervously to order one dozen coconut jelly cakes Somehow I found my way many years later to the steps of Drew Seminary where I found the grace and the words to begin to become a preacher Yet there was more to come much more before I would step into my first pulpit As life would have it I would go off to war to find the prayer I did not know was in me the prayer that would lead me to the ministry but that was years away and I still had many life lessons to learn Stories from the Riverbank Clifford R. Roberts, 2008-06 Stories From the Riverbank is a collection of published newspaper columns and personal writings that offer glimpses of the cultural personal and natural history of northern Michigan through the eyes of a lifelong resident Clifford R. Roberts of Onaway shares stories and observations infused with local color and history from the Depression era to the present Born and raised in sight of Onaway's grain elevator Roberts shares personal and family stories of growing up in a small town whose claim to fame in the early 1900s was Onaway Steers the World by making wooden steering wheels for cars Fishing and boating on Michigan's lakes rivers and streams figure largely in these tales as do stories of hunting school and family life Roberts' keen observations of nature especially wildlife and birds from his vantage point living on the banks of the

Black River and Black Lake comprise the major portion of these writings As a columnist for his hometown s paper The Onaway Outlook for more than twenty years he shares the best of his writings from columns entitled From the Riverbank From the Lakeshore and On the Road *House of Cards* David Ellis Dickerson,2010-11-02 A hilarious and honest memoir by an ex greeting card writer ex virgin fundamentalist and current This American Life contributor When David Dickerson landed his dream job at Hallmark writing greeting cards he discovered his limited life experience as a fundamentalist raised 26 year old virgin left him woefully unprepared for the worldly sentiments he was expected to deliver Here Dickerson chronicles his bumpy and hilarious journey to relatively modern single guy confronting his past his beliefs his relationships and his virginity

The Water Will Hold You Lindsey Crittenden,2007-03-13 The first time she said those words suggested to her by an Episcopal priest Lindsey Crittenden was riddled with misgivings She didn t pray or attend church services she wasn t even sure she believed in God but the simple phrase held a soothing power she couldn t deny Unlike the prayers of her childhood with their vague references to forgiving trespasses and dying before you wake this felt solid I am here was incontestable certain You are here confirmed the existence of a world outside herself and eased the knot of isolation Lindsey had been carrying with her since the day her brother died She soon found that she couldn t pray enough She spoke to God she questioned God and as a result she came to a deeper understanding of herself and the world around her Prayer opened Crittenden up to the present and to those around her It gave her strength when her mother and then her father became ill and when her late brother s young son became increasingly hers to care for But when a relationship went sour prayer abandoned her Or so it seemed until she learned the most important lesson of all Poignant personal and surprisingly honest The Water Will Hold You is a skeptic s story as much as it is a believer s story It explores the power of the ineffable through a compelling narrative of family loss and love Lindsey Crittenden has emerged as a fresh new voice with a message to cross spiritual and religious lines Faith is constant discovery
