Wilcox,2020-09-15 In St Teresa of Avila s classic spiritual book Interior Castle she describes a difficult period of time in her spiritual journey when she said When I think of myself I feel like a bird with a broken wing When I left the monastery thirty eight years ago this was exactly how I felt I Was Gone Long Before I Left is the story about my interior struggle to leave the monastery after living this lifestyle for over twenty five years It explores the reasons why I went to the monastery why I stayed why I eventually left and what I have learned Maybe more importantly it describes the many years of mental anguish confusion and depression that I went through to finally make this decision It has brought back many painful memories and experiences and called for an honesty and vulnerability that I found daunting For over thirty eight years I have been unable to write about my experience of life in the monastery because I felt ashamed For years I thought about leaving but couldn t make this decision because I felt paralyzed psychologically and emotionally Now after all these years I have found the courage to share my story In the Shelter of the Most High Daniel Duane,2018-08-29 In the Shelter of the Most High describes the struggle of a country curate against a plethora of historical false and unsubstantiated allegations of child sexual abuse made against him over a period of time Some of the allegations date back thirty and forty years Daniel Duane refers to how his memory has

recalled these alleged events It began with an allegation of kissing an adult After ten years inexplicably it grew into sexual assault of a child and after another eleven years it finally blossomed into multiple allegations of child rape over a three year period That allegation was followed by another of abuse in open confession which was neither sexual nor physical according to the director of public prosecutions DPP but this sprouted into solicitation in confession a serious crime in canon law if it can be proven Another allegation was made by a mother who claimed the author sexually abused her son The son did not make the allegation There was no corroboration of these allegations yet diocesan authorities restricted Fr Duane s ministry to adults The next allegation was made by a woman who had been friendly with Fr Duane for years She claimed he sexually abused her including full sexual intercourse at thirteen years of age and that he continued to sexually abuse her until she reached seventeen This allegation was made in November 2005 when Fr Duane was very ill and unable to defend himself Nevertheless Bishop John Magee removed him from public ministry without a preliminary trial and later sent a votum recommendation to the Vatican to have him summarily dismissed from the priesthood claiming that the accuser had a diary and that it was a clear case of sexual abuse of a minor The diary was a scrapbook with no details of abuse The DPP found no evidence of criminal behaviour in her allegation Undaunted by this decision she and the father of the first claimant went to the CEO of NCPA with their false allegations and then began a public campaign of vilification of Fr Duane in the media resulting in the Elliot report and finally resulting in the Cloyne report costing the state four million euros causing the resignation of Bishop Magee and creating the biggest split between Church and State since the State s foundation Five more allegations arrived in as many months The twain were later joined by a new recruit from the fresh allegations and the trio bullied an archbishop a bishop priests and the Cloyne tribunal which was established to try the beleaguered priest Apart from establishing the tribunal the church stood idly by In the Shelter of the Most High contains the full documentary **The Cyclopædia of Wit and Humor** William Evans Burton,1858
