

A romantic couple is shown in a close embrace. The woman, on the left, has long dark hair and is wearing a dark, possibly lace, top. The man, on the right, has a beard and is shirtless. They are both looking down, and the woman's hand is resting on the man's chest. The background is dark and out of focus.

Will of my Own Füsun Atalay, 2009-09-30 At its simplest WILL OF MY OWN is a memoir The author examines her life from the view point of an adult who has lived through growing up in a country where her family immigrated when she was barely a teenager Written with courage sincerity and nostalgia her story carries the reader through many twists of a life she tries to make sense of while trying to be a good daughter to her traditional minded parents and finding her own personal identity along the way Her complicated love hate relationship with a mother who keeps an exotic secret and old fashioned beliefs hang like a Damocles sword affecting and destroying the author's cherished relationships F sun Atalay writes with forgiveness and understanding seeking peace with her past and with those who have

wronged her In her poetic language she gives the reader a taste of her delightful childhood spent in a very different culture and the pain of being uprooted from it to live in North America The reader will enjoy peaking into lovely Turkish customs perspectives of an imaginative mind and sharing some personal poetry and journal pages Laced with the author s subtle humor and her philosophy on love life and moving forward this is a memoir you will enjoy reading a second time Good Housekeeping ,1900

The Lost Papers of Confederate General John Bell Hood Stephen M. Hood,2022-05-20 Scholars hail the find as the most important discovery in Civil War scholarship in the last half century The invaluable cache of Confederate General John Bell Hood s personal papers includes wartime and postwar letters from comrades subordinates former enemies and

friends exhaustive medical reports relating to Hood's two major wounds and dozens of touching letters exchanged between Hood and his wife Anna. This treasure trove of information is being made available for the first time for both professional and amateur Civil War historians in Stephen Sam Hood's *The Lost Papers of Confederate General John Bell Hood*. The historical community long believed General Hood's papers were lost or destroyed and numerous books and articles were written about him without the benefit of these invaluable documents. In fact, the papers were carefully held for generations by a succession of Hood's descendants and in the autumn of 2012 transcribed by collateral descendent Sam Hood as part of his research for his book *John Bell Hood: The Rise, Fall and Resurrection of a Confederate General*. Savas Beatie, 2013. This collection offers more than 200 documents. While each is a valuable piece of history, some shed important light on some of the war's lingering mysteries and controversies. For example, several letters from multiple Confederate officers may finally explain the Confederate failure to capture or destroy Schofield's Union army at Spring Hill, Tennessee, on the night of November 29, 1864. Another letter by Lt. Gen. Stephen D. Lee goes a long way toward explaining Confederate Maj. Gen. Patrick Cleburne's gallant but reckless conduct that resulted in his death at Franklin. Lee also lodges serious allegations against Confederate Maj. Gen. William Bate. While these and others offer a military perspective of Hood, the general, the revealing letters between he and his beloved and devoted wife Anna help us better understand Hood, the man and husband. Historians and other writers have spent generations speculating about Hood's motives, beliefs, and objectives, and the result has not always been flattering or even fully honest. Now, long believed lost firsthand accounts previously unavailable offer insights into the character, personality, and military operations of John Bell Hood, the general, husband, and father.
