Usually, the dinner is served in the afternoon and the whole family and their friends come together to celebrate by taking delicious food and drink. Food is prepared along with a number of side dishes. Turkey can be prepared in many ways such as roasting, frying, grilling etc.

Table Setting and Preparations

There are a set of table tips for the thanks giving dinner. At first, make sure that everything is ready at the table such as sufficient plates, spoons, chairs, utensils, knives etc. Take all the dining equipments for washing and cleaning one by one. Plastic dining sets which are very attractive and beautiful can be used for the dinner. Arrange the table and chairs in a way that is convenient to the people to sit. The plates have to be placed at the center of the table in front of the guest and the knives and spoons on the right side of the guest. The fork and napkin must be placed on the left side of the guest. Drinks must be on the right side and bread must be kept on the left side of the guest. Soup must be poured in a soup bowl and must be kept on the plate. If the table is not big enough to keep all these items, keep a separate folding table near to the table and make space for the turkey on the table. Before serving, it must be ensured that everyone sits at the table. If everyone is seated, start with serving side dishes.
