My Turn An Autobiography:

My Turn: The Autobiography Johan Cruyff, 2016-10-06 I knew nothing about football before knowing Cruyff Pep Guardiola Johan Cruyff is widely regarded as one of the greatest players in football history Throughout his playing career he was synonymous with Total Football a style of play in which every player could play in any position on the pitch Today his philosophy lives on in teams across Europe from Barcelona to Bayern Munich and players from Lionel Messi to Cesc Fabregas My Turn tells the story of Cruyff's life starting at Ajax where he won eight national titles and three European Cups before moving to Barcelona where he won La Liga in his first season in 1973 and was named European Footballer of the Year He won the Ballon d'Or three times and led the Dutch national team to the final of the 1974 World Cup famously losing to West Germany and receiving the Golden Ball as the player of the tournament Off the field his life was more turbulent surviving a kidnapping attempt and bankruptcy This honest and unflinching autobiography also explores his life after retirement when he became a hugely successful manager of Ajax and then Barcelona when he won the Champions league with a young Pep Guardiola in his team My Turn is the inspirational account of a legendary football hero voted European Player of the Century in his own words In March 2016 Cruyff died after a short battle with lung cancer bringing world football to a standstill in an outpouring of emotions A brilliant teacher and analyst of the game he loved My Turn is Johan Cruyff's legacy

From Guernica to Guardiola Adam Crafton, 2018-05-03 As Pep Guardiola shatters records and confounds the norms of English football and players such as David De Gea and David Silva light up the national game Spanish stars are transforming the way English football is conceived But the origins of this particular Spanish invasion date back to 1937 when the Spanish Civil War led to a stream of refugees fleeing their country for the safe haven of England Their families reveal how the refugees learned the game here before returning to Spain where one would score Real Madrid's first goal in the Bernabeu stadium and another would be the first man to conceive of Barcelona's vaunted La Masia academy that would later launch stars such as Lionel Messi Cesc Fabregas and Xavi Hernandez In recent years the reputation of Spain's footballers has grown and every club craves a sprinkling of tiki taka magic Through dozens of exclusive interviews Adam Crafton has spoken to many of the key Spanish figures who have come to England and he creates a compelling portrait of their impact on the English game We discover how and why it is that some players such as Xabi Alonso Pepe Reina and Juan Mata have had great success here while others have toiled so painfully But this is not just a footballing

story pure and simple Crafton provides the historical and social context that helps to explain how the relationship between the two nations is constantly changing yet always close For anyone who enjoyed Jonathan Wilson s Inverting the Pyramid or Sid Lowe s Fear and Loathing in La Liga this book is a revealing and brilliant insight into this most benign of Spanish invasions

Margaret Rutherford Andy Merriman, 2011-08-15 Margaret Rutherford was without a doubt one of Britain's best loved comic actresses But behind the kindly serene front Rutherford presented to the world lay a life of trauma and repeated nervous breakdown the legacy of the legacy of family tragedy that saw her father murder her grandfather during a bout of mental illness and her depressive mother later kill herself Andy Merriman's acclaimed biography intrigued and shocked readers with these revelations when it was published in hardback Now out in paperback it is also a portrait of one of our most individual actresses Rutherford appeared in such thoroughly English classics as *Blithe Spirit* *The Importance of Being Earnest* *Passport to Pimlico* and *I'm All Right Jack* But above all she was Miss Marple in four films and entirely created for the screen the role of Agatha Christie's elderly and fearless private detective that subsequent actresses like Joan Hickson and Geraldine McEwan have continued Rutherford first played Miss Marple at the age of 70 and insisted on wearing her own clothes to feel right in the part Above all this was a vulnerable woman whom no one failed to like and respect notable again and again for quiet acts of kindness whose life story has great appeal to everyone who appreciates both classic English comedy and simple human decency
