

Myself Essay | Brief Essay About Myself For All Level Students

Myself Introduction

I, being a human, am a kind, loving, and caring human being. I belong to a middle-class family. My family is the real essence of my life.

I owe everything to my family, especially my parents, brothers, and sisters, who stood by me through thick and thin and supported me to achieve my goals.

My name is Suresh Singh. I am 25 years old. I have recently passed my BBA from a recognized university.

Myself Essay Supporting Details

My father is a doctor who is very strict and always insists that the whole family take care of their health.

He is a doctor who advises us to be at home during the lockdown. As the infection of COVID-19 is spreading by leaps and bounds, many cases have appeared in our city.

He asks us to wash our hands frequently and to wear face masks and cough in sleeves. My father goes to the hospital daily. When he returns from the clinic, he takes a shower in detail and applies hand sanitizer before touching anything.

I owe everything to my family because they didn't only support me but taught me the values of life. From my family, I learned the value of honesty, time, hard work, commitment, and sincerity.

I am the elder son of my parents. I have three younger brothers and two younger sisters. I love all my family members. They are all very near and dear to me. My parents asked me to do some of the outdoor chores around the house.

I am answerable and accountable to my parents. I, being an elder one, have to take care of my younger brothers and sisters and I have to do righteous deeds so that my brothers and sisters learn from me and follow me as I learned and followed my parents.

Myself Essay For University Student
