Dean, 2015-08-10 UPDATED More emphasis on preventative care and treatment of medically compromised patients helps you provide more effective care NEW Easier to follow design *Harvard University Bulletin* Harvard University, 1880 *Library Bulletin*, 1882 Harvard University Bulletin, 1880 **Bulletin of More Important Accessions with Bibliographical Contributions** Justin Winsor, 1882 *Handbook of Clinical Interviewing With Adults* Michel Hersen, Jay C. Thomas, 2007-08-08 Clinical interviewing with adults is both an art and a science This handbook will appeal to a wide range of clinical researchers therapists interns and graduate students new to the complexities of the clinical interview and diagnostic process The comprehensive range of topics and coverage that includes case illustrations with dialogue and differential diagnosis and co morbidity will be highly attractive features to researchers professional therapists and graduate students The Hersen and Thomas team is highly qualified to succeed in this ambitious set of three projects Carolyn Brodbeck Chapman University The Handbook of Clinical Interviewing with Adults is one of three interrelated handbooks on the topic of interviewing for specific populations It presents a combination of theory and practice plus concern with diagnostic entities for readers who work or one day will work with adults in clinical settings The volume begins with general issues structured versus unstructured interview strategies mental status examinations selection of treatment targets and referrals writing up the intake interview etc moves to a section on major disorders most relevant to adult clients depression bipolar disorder agoraphobia posttraumatic stress disorder eating disorders alcohol and drug abuse sexual dysfunction etc and concludes with a chapter on special populations and issues neurologically impaired patients older adults behavioral health consultation etc *Just Methods* Alison M. Jaggar, 2015-11-17 The supplemented edition of this important reader includes a substantive new introduction by the author on the changing nature of feminist methodology It takes into account the implications of a major new study included for the first time in this book on poverty and gender in equality and it includes an article discussing the ways in which this study was conducted using the research methods put forward by the first edition This article begins by explaining why a new and better poverty metric is needed and why developing such a metric requires an alternative methodological approach inspired by feminism Feminist research is a growing tradition of inquiry that aims to produce knowledge not biased by inequitable assumptions about gender and related categories such as class race religion sexuality and nationality Just Methods is designed for upper level undergraduate and graduate students in a range of disciplines Rather than being concerned with particular techniques of inquiry the

interdisciplinary readings in this book address broad questions of research methodology They are designed to help researchers think critically and constructively about the epistemological and ethical implications of various approaches to research selection and research design evidence gathering techniques and publication of results A key theme running through the readings is the complex interrelationship between social power and inequality on the one hand and the production of knowledge on the other A second and related theme is the inseparability of research projects and methodologies from ethical and political values Bookseller's catalogues Charles Davies (bookseller, of Coleman st.),1834
