

DRAGON RIDERS

A Dragon Rider may never not abide there in isolation in the land. He and my father, Brian, are intended to be keepers of the peace, and our main responsibility is to stand between the light and the dark, and maintain the balance between the two. As that and every Rider is put through a strict regimen to improve their mental and physical strength. Riders are never allowed that until their is fulfilling their destiny.

When a dragon is born, it is a small, fragile creature, but it grows into a powerful, majestic beast. It is the Rider's duty to care for the dragon, to train it, and to protect it from harm. The dragon is the Rider's friend, and the Rider is the dragon's protector.
