

Compare and Contrast Essay Structure

Introduction	Introduce the essay with a hook that demonstrates relevance of the essay to the reader. Introduce the items being compared and outline your essay structure.
	Thesis Statement: Don't forget to state your thesis statement in the introduction. For a compare and contrast essay, you may make a value judgement about which item is best for a certain circumstance.
Orientation	<ul style="list-style-type: none">• Define your two items/concepts that are to be analyzed• Explain the context of your discussion• Delve deeper into the definition of each, explaining aspects or details about the concepts to help the reader understand them more.
Feature 1 Feature 2 Feature 3	<ul style="list-style-type: none">• Select features that can be compared between the two items (e.g. size, quality, etc.)• Explore similarities• Explore differences• Make value judgements about the differences between the items that is consistent with your thesis statement
Evaluation	<ul style="list-style-type: none">• Sum up your key points and make an overall value judgement or argument about the two concepts, e.g. "Based upon the above information, it is clear that oranges are better than apples because..."
Conclusion	Close the loop by returning to a statement you made in the introduction. Show what your final position is. Explain who should be interested in your findings. End by noting in one final, engaging sentence why this topic is of such importance.

empowered to strive for excellence **Piers Plowman** William Langland,1997 This definitive and long awaited edition of the C Version of Piers Plowman now joins the California editions of the A and B Versions to complete the set of Piers Plowman texts prepared under the general editorship of George Kane Piers Plowman is the single most important Middle English poem with the exception of Chaucer's Canterbury Tales The forty eight extant manuscripts of the poem are classified in three main versions A the earliest written about 1362 B a longer revision written about 1378 and C the most finished and public form written about 1394 The basis of this edition is the text in Huntington Library MS 143 corrected and restored from the evidence of all known manuscripts of the C tradition to that of the first fair copy of the poet's revision materials The correction and restoration are described in an extensive introduction and there is a full apparatus of variant readings Two appendices cover excluded lines and passages and the Ilchester Prologue Piers Plowman: The C version: Will's visions of Piers Plowman and Do-well William Langland,1997 **New Approaches to Popular Romance Fiction** Sarah S.G. Frantz,Eric Murphy Selinger,2014-01-10 Despite the prejudices of critics popular romance fiction remains a complex dynamic genre It consistently maintains the largest market share in the American publishing industry even as it welcomes new subgenres like queer and BDSM romance Digital publishing originated in erotic romance and savvy online communities have exploded myths about the genre's readership Romance scholarship now reflects this diversity transformed by interdisciplinary scrutiny new critical approaches and an unprecedented international dialogue between authors scholars and fans These eighteen essays investigate individual romance novels authors and websites rethink the genre's history and explore its interplay of convention and originality By offering new twists in enduring debates this collection inspires further inquiry into the emerging field of popular romance studies Middle English Dialectology Angus McIntosh,Michael Louis Samuels,Margaret Laing,1989 **Modernist Experiments in Genre, Media, and Transatlantic Print Culture** Jennifer Julia Sorensen,2016-12-08 The years from 1890 through 1935 witnessed an explosion of print both in terms of the variety of venues for publication and in the vast circulation figures and the quantity of print forums Arguing that the formal strategies of modernist texts can only be fully understood in the context of the material forms and circuits of print culture through which they were produced and distributed Jennifer Sorensen shows how authors and publishers conceptualized the material text as an object as a body and as an ontological problem She examines works by Henry James Jean Toomer Djuna Barnes Katherine Mansfield and Virginia Woolf showing that they understood acts of reading as materially mediated encounters Sorensen draws on recent textual theory media theory archival materials and paratexts such as advertisements illustrations book designs drafts diaries dust jackets notes and frontispieces to demonstrate how these writers radically redefined literary genres and refashioned the material forms through which their literary experiments reached the public Placing the literary text at the center of inquiry while simultaneously expanding the boundaries of what counts as that Sorensen shows that modernist generic and formal experimentation was deeply engaged with specific print histories that generated competitive

media ecologies of competition and hybridization **Slantwise Moves** Douglas A. Guerra, 2018-08-14 In 1860 Milton Bradley invented The Checkered Game of Life Having journeyed from Springfield Massachusetts to New York City to determine interest in this combination of bright red ink brass dials and character driven decision making Bradley exhausted his entire supply of merchandise just two days after his arrival in the city within a few months he had sold forty thousand copies That same year Walt Whitman left Brooklyn to oversee the printing of the third edition of his Leaves of Grass in Massachusetts In *Slantwise Moves* Douglas A Guerra sees more than mere coincidence in the contemporary popularity of these superficially different cultural productions Instead he argues both the book and the game were materially resonant sites of social experimentation places where modes of collectivity and selfhood could be enacted and performed Then as now Guerra observes game was a malleable category mediating play in various and inventive ways through the material forms of pasteboard paper and india rubber via settings like the parlor lawn or public hall and by mutually agreed upon measurements of success ranging from point accumulation to the creation of humorous narratives Recovering the lives of important game designers anthologists and codifiers including Anne Abbot William Simonds Michael Phelan and the aforementioned Bradley Guerra brings his study of commercially produced games into dialogue with a reconsideration of iconic literary works Through contrapuntal close readings of texts and gameplay he finds multiple possibilities for self fashioning reflected in Bradley s *Life* and Whitman s *Song of Myself* as well as utopian social spaces on billiard tables and the pages of Nathaniel Hawthorne s *The Blithedale Romance* alike Highlighting meaningful overlap in the production and reception of books and games *Slantwise Moves* identifies what the two have in common as material texts and as critical models of the mundane pleasures and intimacies that defined agency and social belonging in nineteenth century America
