Cinderella Story

Once upon a time, there was a simple and beautiful girl named Cinderella. She lived with her evil stepmother and two stepsisters. The stepmother did not like her and made her do all the household work. Her stepsisters just never had to work, they just roamed around the house in their fancy dresses. They always made fun of Cinderella because of her plain dressing.

One day, a letter from the king came to their house which said that the king is having a ball tonight and his son 'The Prince' would be choosing a wife; every girl in the kingdom must be aware. Everyone got excited about reading this, Cinderella too wanted to go to the ball. Her stepmother told her that she can go if she completes all her work on time and also helps her stepsisters with their dresses for the ball.

Cinderella worked day and night to prepare the new dresses in time. On the day of the ball, as they were preparing to leave, Cinderella came down the stairs in a dress she had made for herself. Her stepmother and stepsisters were so angry to see her so beautiful they tore up the dress and left without her. Left alone, Cinderella began to cry when all of a sudden her fairy Godmother appeared. "Do not cry my child, you shall go to the ball!" she said. "But I do not have a dress to wear," cried Cinderella.

She wanted to help Cinderella go to the ball. With a wave of her hand, she made Cinderella look like a princess. She gave her a beautiful new gown, glass slippers, and shiny black horses to reach the ball. Before leaving, the fairy godmother said "this magic will only last until midnight! You must reach back home by then!"

When Cinderella entered the palace, everybody was awestruck by her beauty, she was the prettiest girl at the ball. Even her stepsisters didn't recognize her. The handsome prince also saw her and fell in love with her. All the other girls were very jealous of her because the prince danced with her the whole night. She enjoyed herself so much that she almost forgot what the fairy godmother had told her about her magic. However, when she saw the time and remembered the godmother's words she quickly left the palace and ran away. In all the hurry, one glass slipper which she was wearing was left on the castle steps.

The prince had fallen in love with her and wanted to find out who she was as he wanted to marry her. The next day, he ordered his king's men to go to every house in the land and find the girl whose foot fits in the glass slipper. When they reached Cinderella's house, the two stepsisters tried their best to squeeze their big feet into the slippers, but they could not make it. Finally, when Cinderella tried the slipper, her foot fit perfectly into the glass slipper. The prince recognized her from the ball night. He married Cinderella soon in a grand ceremony and they lived happily ever after.
