Altenhofen** Sgt William G. Altenhofen, 2014 When I was assigned an infantry MOS in spite of having a profile I first thought about what the Psychiatrist had told me He said I lost my temper very fast and it was uncontrollable My first reaction was to get very angry my mind seemed to blow up I wanted to scream at him that he was wrong Then I realized that was just what he had just told me So I always worried that I would get into a situation where I would need all my facilities about me and I would lose it and cause one or more people to get injured because I was not thinking properly I found it easy to operate in the infantry The operating manuals were written so they were easy to understand I passed all the schools I had to attend and I was considered very efficient However I was not the loud screaming bully that was typical of the Infantry Sergeant I was often criticized because I did not scream at the troops I found that if you talked to them using good English I got more done So I did not use curse words or degrade people in any manner I learned when I went to my first Infantry unit that if I told them I had a profile and that I could type I would be put in a dead end job that earned no rewards so I would just be marking time I could not operate that way As soon as I could I got rid of the profile I got a few breaks and considered myself very lucky to accomplish as much as I did in the Army I wrote mostly about myself but I did include bits about people who I considered outstanding good or bad I hope you enjoy reading this as much as I enjoyed living it SFC Ret William G Altenhofen **All Volunteer**, 1982 **AR 700-90 01/27/2014 ARMY INDUSTRIAL BASE PROCESS**, *Survival Ebooks* Us Department Of Defense, [www.survivalebooks.com](http://www.survivalebooks.com), Department of Defense, Delene Kvasnicka, United States Government US Army, United States Army, Department of the Army, U.
