God I Listened:

God, I Listened Eula Hendrick McClaney, 1988-11-01 **How to Listen to God** Charles F. Stanley, 2002-09-01 Every day we hear dozens of outside opinions from our spouses and our family members to our coworkers and our church community but how can we shift our focus away from the clamor of other voices so we don't miss what God is trying to tell us How to Listen to God helps you distinguish God's voice from all the rest Bestselling author Dr Charles Stanley shares the lessons he's learned on his own journey to listening to the God who wants to communicate personally with you including How God gets your attention Four ways God speaks to you The importance of your own spiritual mindset Scriptural guidelines for recognizing God's voice The joys and fruits from listening to God Ten hindrances to hearing God Along the way you'll learn firsthand that just a few minutes of sitting before the God who speaks can transform a life refocus a mind and reset purpose and direction for eternity The sad heart is cheered the confused mind is ordered the pessimistic outlook is eliminated the lonely spirit is befriended the rebellious will is subdued and the drifting seeker is made steadfast Join Dr Stanley as he shows us that we've never been more equipped to confidently hear from God How to Listen to God will teach you that God's voice waits to be heard and when we've finally heard it we're launched into the greatest most exciting adventure we could ever imagine

Does God Listen to Rap? Curtis Allen, 2013-11-01 A lot of people think that if there is one style of music in the world that God hates it has got to be rap Some have even gone so far as to call rap An unclean thing before the Lord They don't believe something originally associated with so much evil can ever be redeemed for God's glory Lots of other people love and accept rap as their preferred form of musical expression Many of these who are Christians can't imagine why God would have any issues with rap at least not with songs by believers that encourage and edify them in the faith Who's right And maybe more importantly who cares You should And here's why In the past 30 years rap music has become a vital artistic and cultural force globally and it's showing no signs of slowing down Like it or not you are probably exposed to rap in one form or another on a fairly regular basis If you're interested in this book you may be a believer in Jesus who likes rap a lot and as Christians when we love something that is if you hadn't noticed closely associated with sin and rebellion our justification for being involved with it really does need to go beyond Dude this is good stuff But maybe you're in a different category Maybe you're a Christian parent concerned that rap music may have a negative impact on your child Maybe you're a youth pastor worried about having a rap concert at his church because of the potential pushback Or maybe you're just a rap fan who is curious to see if there's even any biblical evidence for or against rap To put it simply if you've made it this far this book is probably for you Does God Listen to Rap covers two areas First it presents a sociological history of the emergence and development of rap If you enjoy rap and hip hop culture you'll love this part of the book Then the book explores the Scriptures to bring some biblical not just personal or anecdotal resolution to the question of God and rap Ultimately this involves a set of larger questions involving God and the arts This is more than just an apologetic for rap music

Acorns from God Patti King,2010-04 Each WORD from God is like an acorn fallen from the oak tree An acorn doesn't look like much little and hard crusted However within this acorn lies all the DNA to become a mighty tree In this creative endeavor I have compiled 40 words which I feel have the power to challenge affirm and strengthen every seeker who is willing to travel this journey These words are not to be read from beginning to end like any other book Rather prayerfully ask God for which WORD you NEED And when guided to that word let it soak into your heart Let it breathe within you Live with it for awhile I spent a whole season of Lent with the word GLORY or a summer with the word TRUST This resource has helped me to crawl into the acorn and really dwell with the word Inside I found a sacred place where my spirit would find quiet rest and adventure When all else around me was confused and agitated here I would find peace and like the acorn I grew May these words bring you ever closer to the ONE who created you and desires for you more than you could ever imagine In reading the introduction to this wonderful book I was visibly moved by the words I was reading There is a power and a peace in opening a page of Patti's book and letting it take the reader into a quiet place Come with me by yourselves to a quiet place and get some rest Mk 6:31 This is a book that is like a well of spiritual refreshment ready for you to dive into its soothing depths at any reading Tom Peterson Executive Director ACTS Missions San Antonio Tx

Atheism And The Case Against Christ Matthew S. McCormick, 2012-09-25 Hundreds of millions of people believe that Jesus came back from the dead This cogent forcefully argued book presents a decidedly unpopular view namely that the central tenet of Christianity the resurrection of Jesus is false The author asks a number of probing questions Is the evidence about Jesus as it has been relayed to us over the centuries of sufficient quantity and quality to justify belief in the resurrection How can we accept the resurrection but reject magic at the Salem witch trials What light does contemporary research about human rationality from the fields of behavioral economics empirical psychology cognitive science and philosophy shed on the resurrection and religious belief Can we use contemporary research about the reliability of people's beliefs in the supernatural miracles and the paranormal to shed light on the origins of Christianity and other religions Does it make sense that the all powerful creator of the universe would employ miracles to achieve his ends Can a Christian believe by faith alone and yet reasonably deny the supernatural claims of other religions Do the arguments against Christianity support atheism By carefully answering each of these questions this book undermines Christianity and theism at their foundations it gives us a powerful model for better critical reasoning and it builds a compelling case for atheism Without stooping to condescension or arrogance the author offers persuasive arguments that are accessible thoughtful and new
