

# A Memorial Prayer

*By Barbara D. MacAdam*

You never looked back, you never complained,  
you never let hardship, keep you restrained.

We saw through your eyes, Jesus' wisdom and power.  
You showed us God's grace, at its finest hour.

You were humble, and gifted, and patient with me.  
You were just who I've always wanted to be.

I asked for your healing, so you'd stay here with me,  
but God knew you were tired, so He set your soul free.

Now I won't waste a minute, "wishing" life to be fair.  
I'll trust, as you did, in God's answer to prayer.

Please look in my eyes, and see from  
my heart. I know you are with me,  
although we're apart.

And if you see tears - don't worry  
I'm fine. I just feel so special,  
that God let you be mine!

## **Graveside Memorial Service Readings:**

Funeral and Memorial Service Readings, Poems and Tributes Rachel R. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore. This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service. To assist the reader in finding a suitable passage, the book is divided into eleven chapters. There are tributes for mothers, fathers, children, spouses, and soulmates, friends, siblings, and other close relatives, soldiers and victims of war or violence, pets, and general readings appropriate for men, women, or any loved one. These selections will also prove helpful for clergy, counselors, and hospice, hospital, and funeral professionals. Appendices list resources and support organizations, and each selection is indexed by author, title, and first line. A special additional index references pieces by famous uses, such as in a film, novel, or celebrity's funeral, so readers can locate a passage they remember from its context.

**Law Enforcement Funeral Manual (3rd Ed.)** William P. Sanders, 2019-10-09 This third edition manual is intended to provide law enforcement agencies with a quick and informative reference when the worst occurs: the unexpected death of a departmental member. The material contained herein has been gathered by the International Conference of Police Chaplains from numerous departments and sources. It covers all law enforcement circumstances and protocols and religious beliefs. New to this edition is a section devoted to ethnic communities and death, funeral considerations. Divided into seven sections, the major topics cover preparing for the funeral, basic elements of law enforcement funerals, types of funerals, animal burials, funeral resources, survivor resources, and planning for the future. Police hymns, prayers, and help and supportive agencies are included for departments to use in drafting their own policies and procedures. Particular attention is given to ongoing care for the deceased member's family. A Line of Duty or Serious Injury form is provided as an example for other departments and agencies to use in drafting their own policies and procedures. The very helpful appendices contain a funeral checklist, a personnel debriefings form, and sample Line of Duty Death Department Regulation of Standard Operating Procedure and Model Department Policy.

Since then, scores of clergy, funeral directors, and parishioners have used this guide to address what needs to be done.
