

<p>Read the following passage from Nick's account of the first time he meets Jay Gatsby. As you read, think about the things that Gatsby says and does that make you think he is different from other people you have met.</p>	<p>Write a list of the things that Gatsby says and does that make you think he is different from other people you have met. Be sure to include the things that Gatsby says and does that make you think he is different from other people you have met.</p>
<p>He was a slender, middle-aged man with a thin, pale face and a pair of dark, piercing eyes. He was dressed in a dark suit and a white shirt with a dark tie. He was looking at me with a steady, intense gaze. He was smiling at me, but his smile was not a friendly one. It was a smile that said, "I know what you are thinking, and I am not going to let you win."</p>
