Garner's Dictionary of Legal Usage Bryan A. Garner, 2011 This new edition of Garner's Dictionary of Legal Usage discusses and analyzes modern legal vocabulary and style more thoroughly than any other contemporary reference work. Since the first edition, Bryan A. Garner has drawn on his unrivaled experience as a legal editor to refine his position on legal usage. The new Third Edition remains indispensable. Garner has updated entries throughout, added hundreds of new entries and thousands of new illustrative quotations from judicial opinions and leading lawbooks, revised the selected bibliography, and expanded and updated cross references to guide readers quickly and easily. A new preface introduces the reader to this edition and discusses content that has been newly incorporated. Influential writers and editors rely on Garner's Dictionary of Legal Usage daily. It is an essential resource for practicing lawyers, legal scholars, and libraries of all sizes and types, functioning as both a style guide and a law dictionary, guiding writers to distinguish between true terms of law and mere jargon and illustrating recommended forms of expression. Common blunders are discussed in ways that will discourage writers from any further use. The origins of frequently used expressions are described with engaging prose. Collectively, there is no better resource for approaching legal writing in a logical, clear, and error-free way.
