Heart Of The Moon:

The Triadic Heart of Śiva Paul E. Muller-Ortega, 1989-01-01 This book explores one of the most explicit and sophisticated theoretical formulations of tantric yoga. It explains Abhinavagupta's teaching about the nature of ultimate reality, about the methods for experiencing this ultimate reality, and about the nature of the state of realization, a condition of embodied enlightenment. The author uncovers the conceptual matrix surrounding the practices of the Kaula lineage of Kashmiri Shaivism. The primary textual basis for the book is provided by Abhinavagupta's *Parātrikāgāhuvṛtti*, a short meditation manual that centers on the symbolism of the Heart mantra SAU. *The Witch's Heart* Christopher Penczak, 2025-05-23 Create a balanced happy love life with the help of this book of practical love magick. Award-winning author Christopher Penczak offers a wealth of magickal workings and wisdom for everything from reclaiming sexual power and arousing passion to banishing ties to an unrequited love relationship. Written for Witches, Pagans, and other magickal people, this guide tells you how to first build self-love and self-esteem, then use that energy to find a partner or rekindle the passion in your current relationship. It offers instruction on making love spells, potions, and talismans, and features a materia magica of flowers, herbs, stones, and metals to empower them. *The Witch's Heart* also explores divine inner alchemy, love deities, sexual healing, fertility, the ethics of love magick, twin flames, and soul mates, and how to heal a broken heart. **Heart of the Moon** Francis Durham Grierson, 1928 *Inanna, Lady of Largest Heart* Betty De Shong Meador, 2025-10-01 The earliest known author of written literature was a woman named Enheduanna, who lived in ancient Mesopotamia around 2300 BCE. High Priestess to the moon god Nanna, Enheduanna came to venerate the goddess Inanna above all gods in the Sumerian pantheon. The hymns she wrote to Inanna constitute the earliest written portrayal of an ancient goddess. In their celebration of Enheduanna's relationship with Inanna, they also represent the first existing account of an individual's consciousness of her inner life. This book provides the complete texts of Enheduanna's hymns to Inanna, skillfully and beautifully rendered by Betty De Shong Meador, who also discusses how the poems reflect Enheduanna's own spiritual and psychological liberation from being an obedient daughter in the shadow of her ruler father. Meador frames the poems with background information on the religious and cultural systems of ancient Mesopotamia and the known facts of Enheduanna's life. With this information, she explores the role of Inanna as the archetypal feminine, the first goddess who encompasses both the celestial and the earthly, and shows forth the full scope of women's potential. **Heart Imagery** Daniel Mitel, 2015-09-23 *Heart Imagery: A Path to Enlightenment* is a continuation of the book *This Now is Eternity*, revealing exercises and meditations related to the most ancient spiritual system, Heart Imagery. It is a treasure full of advice, meditations, and exercises that come directly from two of the last Great Masters of Heart Imagery. These Masters lived in the Tibetan area, but that isn't relevant. Like other Great Masters of Imagery, Anastasia from Russia, Colette Aboulker Muscat from Jerusalem, and Ana Pricop from Romania, the location and the time during which they lived was of no consequence. They were able to change

anything the past the present and the future They could reverse any action or thought This is beyond our understanding Remember that everything around you is a dream and that you can awaken at any moment if you really wish to Daniel Mitel For more information visit www.danielmitel.com www.heartimagery.org **Divinity of Heart** Lopamudra Pal,2022-12-31
