## If I Die:

Of Death and Birth Barbara Schuler, 2009 Scholars of popular Hindu religion in India have always been fascinated by oral texts and rituals but surprisingly only few attempts have as yet been made to analyse the relationship between rituals and texts systematically This book contributes to the filling of this gap Focusing on the dynamics of a local non Brahmanical ritual its modular organisation and inner logic the interaction between narrative text and ritual and the significance of the local versus translocal nature of the text in the ritual context the study provides a broad range of issues for comparison It demonstrates that examining texts in their context helps to understand better the complexity of religious traditions and the way in which ritual and text are programmatically employed The author offers a vivid description of a hitherto unnoticed ritual system along with the first translation of a text called the Icakkiamman Katai IK Composed in the Tamil language the IK represents a substantially longer and embellished form of a core versio which probably goes as far back as the seventh century C E Unlike the classical source this text has been incorporated into a living tradition and is being constantly refashioned A range of text versions have been encapsulated in the form of a conspectus which will shed light on the text s variability or fixity and will add to our knowledge of bardic creativity Includes a film by the author on DVD *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Cowden-Clarke, 1845 *The Mustard Seed* Osho, 2010-02-01 This timely book explores the wisdom of the Gnostic Jesus who challenges our preconceptions about the world and ourselves Based on the Gospel of Thomas the book recounts the missing years in Jesus life and his time in Egypt and India learning from Egyptian secret societies then Buddhist schools then Hindu Vedanta Each of Jesus original sayings is the seed for a chapter of the book each examines one aspect of life birth death love fear anger and more counterpointed by Osho s penetrating comments and responses to questions from his audience

Collected Edition** Douglas William Jerrold,1852 *Bulletin* ,1891 **How the World Began** Helmut Thielicke,2016-11-24 The question of where we come from and where we are going is one of the elementary challenges of life Perhaps it is the question of life Only when we get an answer to it do we learn who we are So begins *How the World Began* a book that asks the most fundamental of all questions who are we And what did God intend us to be Despite perhaps even because of the immense technological advances of our time and the frightful consequences for the human race of the misuse of that power humanity is brought face to face time and again with the essential problem that has haunted us since the beginning of time the mystery of good and evil Helmut Thielicke's work in these sermons on the first eleven chapters of Genesis is thought provoking and exceptionally powerful

From Unconsciousness to Consciousness Osho,2023-09-16 After one thousand three hundred and fifteen days of silence it feels as if I am coming to you from a totally different world In fact it is so The world of words language concepts and the world of silence are so diametrically opposite to each other they don't meet anywhere They can't meet by their very nature Silence means a state of wordlessness and to speak now it is as if to learn language again from ABC But this is not a new experience for me it has happened before too
