

This question tests writing assessment objectives W1 to W5 (15 marks)

W1 articulate experience and express what is thought, felt and imagined.

W2 sequence facts, ideas and opinions.

W3 use a range of appropriate vocabulary.

W4 use register appropriate to audience and context.

W5 make accurate use of spelling, punctuation and grammar.

The discriminator is the evaluation of the arguments, which requires candidates to draw inferences and make judgements about whether or not the advantages outweigh the disadvantages in this particular case. Perceptive responses may draw on an appreciation of the deliberately exaggerated style and this should affect the decision. Ideas and opinions must be derived from the passage, developing its claims and assessing their implications with clear and persuasive arguments.
