Library Services for

Immigrants and New Americans Jennifer Koerber, 2018-05-09 Wondering what your library can do for your community's immigrant population? This book is replete with resources, tips, and suggestions providing valuable guidance to librarians who want to better serve this still-growing part of America's population. This up-to-date guide to developing and implementing a wide variety of services to immigrants and new Americans focuses on the practical steps of creating and promoting programs. Illustrated by success stories in libraries throughout the country, the book discusses both traditional ESOL and citizenship classes and transformative legal aid and workforce development programs and services in terms of size, type, and local political climate. e.g. sanctuary cities at a variety of public libraries as well as in select school libraries. As changes unfold in regard to how the federal government and local communities view and treat immigrants and new Americans in their midst, this topic deserves a fresh take from the profession. The author meets that need providing practical ideas that range from creating more accessible websites and improving wayfinding and customer service in order to overcome cultural roadblocks to dealing with backlash in communities as libraries extend outreach and partnership-building goals.

Cinematic Social Studies William B. Russell, Stewart Waters, 2017-01-01 Action film is a common and powerful element in the social studies classroom, and *Cinematic Social Studies* explores teaching and learning social studies with film. Teaching with film is a prominent teaching strategy utilized by many teachers on a regular basis. *Cinematic Social Studies* moves readers beyond the traditional perceptions of teaching film and explores the vast array of ideas and strategies related to teaching social studies with film. The contributing authors of this volume seek to explain through an array of ideas and visions what cinematic social studies can and should look like while providing research and rationales for why teaching social studies with film is valuable and important. This volume includes twenty-four scholarly chapters discussing relevant topics of importance to cinematic social studies. The twenty-four chapters are divided into three sections. This stellar collection of writings includes contributions from noteworthy scholars like Keith Barton, Wayne Journell, James Damico, Cynthia Tyson, and many more.

Are Mexican Immigrant and Mexican American Female Victims of Intimate Partner Violence Being Served in Memphis, Tennessee? M. Helena Vanderlei Collins, 2011-06-15 Domestic violence against women is an oppressive condition that extends across race, class, and gender. This work examines intimate partner violence against women in Memphis, Tennessee, focusing on Mexican immigrant and Mexican American female survivors of domestic violence. Author M. Helena Vanderlei Collins interviewed ten Mexican immigrant women and seven Mexican American women to investigate factors that influence help-seeking behavior. Collins focused on the perceptions of Mexican immigrant and Mexican American women regarding the social services available to them and explored how their help-seeking behavior is affected by their degree of acculturation and the incidence of intimate partner violence. Collins employed a combination of quantitative and qualitative methods to answer seven key research questions. The quantitative instruments included ARSMA II, the Inventory of Abusive Behavior, and a customized demographic questionnaire. The qualitative data was drawn from the semi-structured interviews with the domestic violence

survivors Collins concluded her study by describing the challenges women of Hispanic origin face when seeking help from social service providers and by offering recommendations on how to improve the quality of services these women receive

Inside Immigration Law Tobias G. Eule, 2016-05-23 *Inside Immigration Law* analyses the practice of implementing immigration law examining the different political and organisational forces that influence the process Based on unparalleled academic access to the German migration management system this book provides new insights into the black box of regulating immigration revealing how the application of immigration law to individual cases can be chaotic improvised and sometimes arbitrary and either informed or distorted by the complex politically laden and changeable nature of both German and EU immigration laws Drawing on extensive empirical material including participant observation interviews and analyses of public as well as confidential documents in German immigration offices *Inside Immigration Law* unveils the complex practices of decision making and work organisation in a politically contested environment A comparative critical evaluation of the work of offices that examines the discretion and client interactions of bureaucrats the management of legal knowledge and symbolism and the relationships between immigration offices and external political forces this book will be of interest to sociologists legal scholars and political scientists working in the areas of migration integration and the study of work and organisations

Migration and the Crisis of the Modern Nation State? Frank Jacob, Adam Luedtke, 2018-01-10 The anthology explores the interrelationship between migration and a supposedly existent crisis of the modern nation state The argument of such a crisis is mainly used by the New Right to stimulate nationalist feelings and provoke hate and aggression We in contrast to this perception argue that from a historical and current perspective migration is not endangering the nation state but rather changing the idea of a nation itself by redefining it In historical as well as current case studies the authors determine the political dangers of right wing demagogues while emphasizing the chances immigration is offering the progress of the nation state While it will be discussed how nationalism is impacting on the perception of migration we also want to emphasize how it is perceived by the people in the specific regions which are either confronted with migration or those which are not The authors for the volume come from different fields namely history and political sciences and are consequently able to offer the reader a broad insight into the historical roots and the current consequences nationalism had or has on the perception and the local as well as global policies towards migration The analysis of particular immigrant groups e g North Koreans in post war Korea South Asians in the Emirates Middle Eastern refugees in Europe Hispanics in the United States as well as a close reading of crisis related media newspapers and other media in Europe and the US will all in all establish a broad perspective due to which the reader will be able to compare and connect the national events to a larger global picture

Migrations and Diasporas William Arrocha, Elena Xeni, 2023-11-23 Advocating for a more welcoming world involves respecting the human dignity and fundamental rights of all individuals regardless of their place of origin or immigration status This perspective offers a powerful insight into the dynamics of social justice across borders
