Immigration Sortir Du Chaos:

Museums, Immigrants, and Social Justice Sophia Labadi, 2017-09-18 This interdisciplinary book argues that museums can offer a powerful and often overlooked arena for both exploring and acting upon the interrelated issues of immigration and social justice Based on three in depth European case studies spanning France Denmark and the UK the research examines programs developed by leading museums to address cultural economic social and political inequalities Where previous studies on museums and immigration have focused primarily on issues of cultural inequalities in collection and interpretation Museums Immigrants and Social Justice adopts a more comprehensive focus that extends beyond the exhibition hall to examine the full range of programs developed by museums to address the of cultural economic social and political inequalities facing immigrants Museums Immigrants and Social Justice offers compelling insights on the ability of museums to offer positive contributions to the issues surrounding immigration and social justice at a time when both are pressing issues in Europe It will be of interest to scholars and students of museum studies migration studies sociology human geography and politics

Extreme Right Wing Political Violence and Terrorism Max Taylor, Donald Holbrook, P.M. Currie, 2013-02-14 In this collection senior experts explore all aspects of extreme right wing political violence from the nature of the threat processes of engagement and ideology to the lessons that can be drawn from exiting such engagement Further right wing activism and political violence are compared with Jihadi violence and engagement Also the European experience is placed within a greater framework including that of the United States and the Arab Spring The book opens with an essay on U S far right groups investigating their origins and processes of recruitment It then delves into violence against UK Mosques and Islamic centers the relationship between Ulster loyalism and far right extremism the Dutch extremist landscape and the July 2011 Norway attacks Also discussed are how narratives of violence are built and justified at what point do individuals join into violence and how differently states respond to left wing vs right wing extremism This comparative work offers a unique look into the very nature of right wing extremism and will be a must read for anyone studying political violence and terrorism

The Oxford Handbook of Illiberalism Marlène Laruelle, 2024 From the rise of populist leaders and the threat of democratic backsliding to polarizing culture wars and the return of great power competition the backlash against the political economic and social liberalism is increasingly labeled illiberal Yet despite the increasing importance of these phenomena scholars still lack a firm grasp on illiberalism as a conceptual tool for understanding societal transformations The Oxford Handbook of Illiberalism addresses this gap by establishing a theoretical foundation for the study of illiberalism and showcasing state of the art research on this phenomenon in its varied scripts political economic cultural and geopolitical Bringing together the expertise of dozens of scholars the Oxford Handbook of Illiberalism offers a thorough overview that characterizes the current state of the field and charts a path forward for future scholarship on this critical and quickly developing concept

IBSS: Political Science: 2007 Vol. 56 The British Library of Political and Economic

Science,2009-01-08 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority Rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world s most expert librarians and academics Breadth Today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage The IBSS reviews scholarship published in over thirty languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French
