Thematic Units Social studies explores the variety and complexity of human experience The book emphasizes the value of social studies in preparing students to become valuable community members and to participate respectfully in a diverse society *The Edinburgh Companion to Women in Publishing, 1900-2020* Nicola Wilson, Claire Battershill, Sophie Heywood, Marrisa Joseph, Daniela La Penna, Helen Southworth, Alice Staveley and Elizabeth Willson Gordon,2024-02-29 Women s creative labour in publishing has often been overlooked This book draws on dynamic new work in feminist book history and publishing studies to offer the first comparative collection exploring women s diverse deeply embedded work in modern publishing Highlighting the value of networks collaboration and archives the companion sets out new ways of reading women s contributions to the production and circulation of global print cultures With an international intergenerational set of contributors using diverse methodologies essays explore women working in publishing transatlantically on the continent and beyond the Anglosphere The book combines new work on high profile women publishers and editors alongside analysis of women s work as translators illustrators booksellers advertisers patrons and publisher s readers complemented by new oral histories and interviews with leading women in publishing today The first collection of its kind the companion helps establish and shape a thriving new research field *The Hunger Games - Literature Kit Gr. 7-8* Lynda Allison,2016-01-01 Witness the power that love for family has with one girl s sacrifice and struggle to survive Test student comprehension of key vocabulary words found in the story Students start by looking inward and identifying any skills they possess that could help provide for their family if needed Put the events from the story in the order that they happened when Katniss and Peeta are introduced to the Capitol Describe how Katniss treats Peeta after the interview and explain her motivations behind it Predict the relationships Katniss will have with Peeta and Gale after she returns to District 12 Students design their own symbol for Peeta similar to the mockingjay for Katniss Aligned to your State Standards and written to Bloom s Taxonomy additional crossword word search comprehension quiz and answer key are also included About the Novel The Hunger Games is a story about a dystopian society and a young girl s sacrifice to keep her family safe Told from the perspective of 16 year old Katniss Everdeen the story takes place in a post apocalyptic nation called Panem The nation consists of a rich Capitol and 12 surrounding poor districts Every year an event known as The Hunger Games is held One boy and one girl from each district is selected by lottery to compete in the battle to the death with only one person standing The story begins in District 12 where the lottery chooses Primrose to compete In an effort to protect her sister Katniss volunteers taking her place The story then follows Katniss as she journeys to the Capitol and enters the Hunger Games **Improving Reading Comprehension through Metacognitive Reading Strategies Instruction** Kouider Mokhtari,2016-11-02 This book addresses the need to help all students including English learners improve their ability to read with understanding so that they can succeed not just in their language and literacy classes but also in their subject area classrooms The book brings together a group of experts representing the fields of first and second language reading whose

chapters contribute in different yet complementary ways to the goal of this book Improve students reading for understanding across languages with metacognitive awareness and use of reading strategies instruction A Place Called District 12 Thomas W. Paradis,2022-01-17 When creating her post apocalyptic world of The Hunger Games author Suzanne Collins drew from various real world history and geography particularly from Appalachia which is reflected in the culture and location of District 12 With the release of her 2019 prequel The Ballad of Songbirds and Snakes Collins brought readers deeper into Appalachia s extraordinary cultural diversity and its storied musical traditions This book provides a tour of human geography history and culture that establishes the foundation for the saga s novels and films Told from the expertise of a geographer it explores how place can shape culture how social and geographical concepts intersect and how these ideas apply to The Hunger Games Specifically the work explores the idea of home and how attachment to a place is strengthened through landscape geography and song *The Feminist Spectator in Action* Jill S. Dolan,2017-09-16 Based on her award winning blog The Feminist Spectator Jill Dolan presents a lively feminist perspective in reviews and essays on a variety of theatre productions films and television series from The Social Network and Homeland to Split Britches Lost Lounge Demonstrating the importance of critiquing mainstream culture through a feminist lens Dolan also offers invaluable advice on how to develop feminist critical thinking and writing skills This is an essential read for budding critics and any avid spectator of the stage and screen *Girls' Literacy Experiences in and Out of School* Elaine O'Quinn,Elaine J. O'Quinn,2013 Through thoughtful analysis of girls historical literacy experiences their contemporary reading and writing lives and trends in young adult literature this book sheds new light on how teachers can better understand and create classroom experiences that make girls visible both to themselves and to others Historically the status of girls has evoked much less research than that of boys Recently emerging scholastic and strategic study concerning the vulnerability of girls is adding a vital missing component to this continually emerging discourse Looking at many aspects of girls gendered lives this text considers the specific perspectives of the social and cultural constructions that script gender particularly as they apply to girls in our classrooms Prominent scholars in their respective fields examine the myriad forces that shape the lives of American girls from the earliest didactic records of manuals and books of conduct to current artifacts of contemporary culture By investigating both the scholarly literature on girls as well as the primary sources of a material culture the authors seek to unravel how adolescent girls learn and seek to compose identities By closely examining girls practices in which are embedded issues of class race ethnicity immigrant status and sexuality the text considers some of the values structures and trajectories that have come to define teenage girlhood Its distinctive contribution is to unpack some of the assumptions of girls in English classrooms and to critically examine their experiences as they try to fit preconceived norms while forming their own personhood Provided by publisher The American Journal of Psychology Granville Stanley Hall,Edward Bradford Titchener,Karl M. Dallenbach,Madison Bentley,Edwin Garrigues Boring,Margaret Floy Washburn,1922 Fandom as

Classroom Practice Katherine Anderson Howell, 2018-05-15 Providing ways to engage students through their popular culture interests this collection brings together several essays across disciplines to show how fan practices such as writing fan fiction creating vids communicating via Tumblr and participating in film tourism can invite students to invest more of themselves into their education Both scholarship and fandom encourage passionate engagement with texts rather than passive consumption in isolation and editor Katherine Anderson Howell and her contributors find that when students are encouraged to partake in a remix classroom that encourages their fan interests they participate more in their education are more critical of experts and authorities and actively shape the discourse themselves Creating this remix classroom requires thoughtfulness on the instructor's part and so the chapters in this volume come from teachers who have carefully constructed such courses including several invaluable appendices that provide examples of methodologies course assignments teaching practices and classroom setup Each chapter also includes student responses that offer a sense of what students gained from each course The result is an exciting and entertaining new way to motivate students and teachers alike and it is sure to be a popular reference guide for instructors teaching classes from high school to graduate levels *Looking for Ashley: Re-reading What the Smith Case Reveals about the Governance of Girls, Mothers and Families in Canada* Jaremko Rebecca

Bromwich, 2015-10-01 The 2007 death by self-induced strangulation in prison of nineteen-year-old inmate Ashley Smith drew a great deal of public attention The case gave rise to a shocking verdict of homicide in the 2013 inquest into the cause of her death In this book I inquire into questions about what social problem or phenomenon Ashley Smith is a case and what governmental work is done by prevalent constructions of her as an exemplar This book performs a critical discourse analysis of figures of Ashley Smith that emerge in her case looking at those representations as technologies of governance It argues that the Smith case is read most accurately not as an isolated system failure but an extreme result of routine everyday brutality of a society and bureaucracies gradual necropolitical successes It critically analyzes how representations of Ashley in the case leave intact and even reinforce logics and systems governing gender motherhood security risk race thinking and exclusion in power and knowledge that make it predictable for similar deaths in prison to recur It argues that in the logics underlying constructions through which Ashley Smith was celebrityized and sacralized mothers girls and women's subjectivities and agencies are made unknowable and even unthinkable while the racialized social boundaries of a white settler society are maintained This book attempts to intervene in those logics to help make alternative outcomes possible and to take steps towards questioning the raced classed and heteronormative boundaries of commonly assumed figures of the noble victim good girl and good mother while supporting the agencies of adolescent girls in actively playing a part in the authoring of their lives **Multiple Literacies for Dance, Physical Education and Sports** Stephen G. Mogge, Shelly Huggins, Jaye Knutson, Elin E. Lobel, Pamela Segal, 2023-03-14 This book explores a spectrum of literacies relevant to dance physical education and sports It examines conceptions of movement literacies disciplinary literacies and traditional school

literacies It includes theory research and instructional practice related to the uses of traditional print multimedia and embodied physical literacies These literacies function independently but are also overlapping and mutually reinforcing in comprehensive instructional planning As movement and activity related fields continue to explore the potential for multiple literacies this book introduces numerous possibilities both conceptual and practical for consideration Pre service and in service teachers in dance and physical education programs will learn how to integrate multiple literacies in curriculum design and teaching Graduate students will examine theoretical premises of movement and disciplinary literacies and become familiar with original research on these topics Teachers school administrators coaches and athletic directors will use the book in order to guide the inclusion of movement and activity based fields in the disciplinary literacy agenda now common in Pre K through secondary schooling Media rich chapters including photographic video and other graphic images allow students to access concepts through multiple modalities

Literacy Assessment and Instructional Strategies Kathy B. Grant, Sandra E. Golden, Nance S. Wilson, 2014-08-07 Literacy Assessment and Instructional Strategies by Kathy B Grant Sandra E Golden and Nance S Wilson prepares literacy educators to conduct reading and writing assessments and develop appropriate corrective literacy strategies for use with their grade K 5 students Connecting Common Core Literacy Learning Standards to effective strategies and creative activities the book includes authentic literacy assessments and formal evaluations to support reading teaching in the elementary classroom Initial chapters discuss literacy assessment and evaluation data driven instruction high stakes testing and instructional shifts in teaching reading Subsequent chapters focus on the latest instructional and assessment shifts including pre assessing literacy knowledge bases using informational texts for vocabulary development and close reading of text Written by reading practitioners and researchers this book is a must have for novices as well as for veteran classroom teachers who want to stay on top of changing literacy trends

Making Literacy Real Joanne Larson, Jackie Marsh, 2014-11-17 Offering an overview of the major fields in literacy studies this book presents a detailed and accessible discussion of key theories and their relevance in the primary classroom Each chapter uses a real life case study to explore the application of theory in practice followed by a detailed discussion of the case study material by a leading name in the field including contributions from Barbara Comber Michele Knobel Colin Lankshear Gunther Kress Brian Street Kevin Leander and Patricia Enciso The text also offers reflections on theoretical foundations for research exploring literacy as a practice grounded in social cultural historical and political contexts and in relationships of power This second edition includes New chapters covering digital literacy space and play and multimodality Examples and contributions from a range of international contexts including US UK Canada Australia and South Africa Further reading links Essential reading for students at undergraduate and post graduate level on primary education courses and an invaluable guide for anyone wanting to understand literacy theory and successfully apply this to the classroom

Disrupting Leadership in Entrepreneurial Universities Jill Blackmore, 2022-10-20 What is the future of the contemporary university and

for those who lead them Considering leadership in the broadest sense including academic leadership teaching and research as well as leadership practices of those in formal management positions Jill Blackmore outlines how multiple pressures on universities have produced leadership practices in management and research which are more corporate than collegial and which discourage many academics from aspiring to leadership She uses a range of theoretical tools informed by critical and feminist organisational studies to unpack higher education and how it is being transformed in ways that undermine its core work of teaching and research Drawing from three Australian university case studies this book uses leadership as a lens through which to investigate the effects of restructuring of the higher education sector which have impacted differently on academic identities and careers **Using Technology to Enhance Reading** Timothy V. Rasinski, Kristine E.

Pytash, 2015-04-02 Enhance students reading abilities with technology Discover how technological resources can improve the effectiveness and breadth of reading instruction to build student knowledge Read real world accounts from literacy experts and learn how their methods can be adapted for your classroom Explore how to foster improvement in student learning using a variety of tools including interactive whiteboards tablets and social media applications *War as Performance* Lindsey

Mantoan, 2018-07-31 This book examines performance in the context of the 2003 Iraq War and subsequent conflicts with Daesh or the so called Islamic State Working within a theater and performance studies lens it analyzes adaptations of Greek tragedy documentary theater political performances by the Bush administration protest performances satiric news television programs and post apocalyptic narratives in popular culture By considering performance across genre and media *War as Performance* offers an interdisciplinary approach to the study of culture warfare and militarization and argues that spectacular and banal aesthetics of contemporary war positions performance as a practice struggling to distance itself from appropriation by the military for violent ends Contemporary warfare has infiltrated our narratives to such an extent that it holds performance hostage As lines between the military and performance weaken this book analyzes how performance responds to and potentially shapes war and conflict in the new century **The Politics of Fandom** Hannah

Mueller, 2022-02-03 Fandom has been celebrated both as a harmonious tolerant space and as apolitical and detached from reality Yet fandom is neither harmonious nor apolitical Throughout the past century fandom has been shaped by recurring controversies and sparked by the emergence of new circles platforms and discourses Since the earliest days of science fiction fandom fans have conceived of their communities as quasi political bodies and of themselves as public actors in discursive spaces They are concerned with the organizational structures norms and borders of fandom as well as their own position within it all This latter concern has moved to the forefront as fan practices and platforms have been coopted by the entertainment industry and by political actors forcing fans to situate their fannish and political identities in relation to both sprawling transmedia franchises and right wing groups exploiting fannish formations for political ends Through case studies of *Glee* and *The Hunger Games* fandoms as well as events such as Gamergate RaceFail 09 and the Hugo Awards

controversies this book explores the complexities of political fandom

Qualitative Research in Theological Education

Mary Clark Moschella, Susan Willhauck, 2018 Qualitative Research in Theological Education brings together a diverse group of scholars to consider the theological values arising from and contributing to their use of qualitative research in scholarship and teaching. The book offers a careful consideration of the pedagogical and administrative challenges involved in teaching qualitative research and its various sub disciplines such as ethnography. As a whole the book argues that the teaching of QR methods is critical to the theological, ethical, spiritual and or pastoral formation of ministers and theological scholars. With contributions from Jody Clarke, David M. Csinos, Elaine Graham, Brett C. Hoover, Tone Stangeland, Kaufman, Bernardine Ketelaars, Boyung Lee, Dawn Llewellyn, David M. Mellott, Nichole Ren e Phillips, Apipa Prachyapruit, Anthony G. Reddie, Siroj Sorajjakool, Todd D. Whitmore and Natalie Wigg Stevenson.
