Dr. Stephen Adedotun Adesanya Ph.D., 2012-01-25 Adesanya's narrative is sober reflective and unbelievably forgiving Those interested in global Anglicanism way beyond attention grabbing headlines will find his experiential perspectives on the practical workings of theology across cultures and continents very instructive The book proposes great insights into comparative Anglicanism and offers pathways to harmony within worldwide Anglicanism Stephen opines neither Europe America is misleading the world nor the Global South mis evangelizing the faithful His call is the need for dialogue within Anglicanism Prof Adk Adk Ohio State University Columbus USA *A Shepherd's Journey* Steve B. Walters, 2002 The one word that encompasses the life of Apostle Lymus L Johnson from the early stages of his ecclesiastic career up through this present day is inspirational Through his struggles in the early years eating apples for breakfast apples for lunch and apples for dinner fried stewed and baked he has inspired people to keep the faith for he has never seen the righteous forsaken nor his seed begging for bread He has inspired preachers to continue in the way of the truth to cry loud and spare not Exhorting them to lift up their voices like a trumpet in Zion Charging them to preach the truth be it in season or out of season To this very day his doctrine has not changed Because the Lord has kept him in relative good health through the years he inspires both young and old letting them know that the Lord is a keeper a deliverer and a healer He inspires you to hold on to see what the end is going to be To look at his life his meager beginnings to where he is today he is a living testimony that if you seek first the kingdom of heaven and all its righteousness blessings and all your desires will be added unto you He has inspired people through the word of God to live

their lives to Jesus Christ be baptized in his name receive the gift of the Holy Ghost and continue on to become great in their own unique way in the eyes of the Lord Many have been saved reclaimed and inspired by the ministry of Apostle Lymus L Johnson The following is not only the story of the consecrated life of Apostle Lymus L Johnson but also a look into the ministry itself with all of its struggles and triumphs It is a living printed testimony of what God can do I m sure that each of you who read this book will identify with some part of it How your life or someone s life you know of has been affected in a similar manner Many have tried to capture the uniqueness of his ministry the holler the comedy and even his assimilation of the scriptures In this we can all agree there is not another Apostle Lymus Johnson Book jacket A SHEPHERD'S JOURNEY Joanne Scholl,2023-11-08 I had originally written this book many years ago in hopes that my oldest sibling might read it to his grandchildren some day in hopes that he too would realize what a awesome Great Shepherd we serve In hopes that he would see the comfort joy and protection we have in receiving Christ our Lord and becoming one of His precious flock Oh how he loves us I now dedicate this book too all of God s very loved lambs and in gratitude for my precious grandson Miles Thomas Scholl May all of His lambs from two to ninety two accept His unconditional unrelenting protection and abundant crazy love The Shepherd's Journey, The story of five German Shepherds that rescue themselves and their owner.
